WELCOME
We welcome Jake C and Ashleigh P to our school. Jake is
in Mr Lock’s class and Ashleigh is in Mr Murphy’s class. We
hope that you enjoy your time at the Hub.

CAR PARKING
Our school policy states that the car parks are for staff and Disabled Permit Holders only. A small minority of parents
continue to flaunt this ruling by insisting that they have a right to park where they wish. Staff members who speak to these
parents have often been verbally abused. This increase in vehicular movement, often at the busiest times, places parents,
students and toddlers at risk. The few parents who continue to use the car parks set a very poor example to their children
that rules are made to be broken. In the interests of everyone’s safety, I request that parents do not park in the school’s car
parks.

Principal

MATERIALS & SERVICES CHARGES
Please note that the final instalment for the 2007 Materials and Services Charge is due to be paid by Friday, August 24th.
The final instalment is $70. Please ensure that all Materials and Services accounts are finalised by this date, as the school’s
debt collection agency will be engaged to collect all outstanding amounts unless alternative arrangements have been made
with Kim Craggs, Finance Officer, to settle these accounts.

UNIFORM POLICY – EXTRA INFORMATION

As announced in a previous newsletter, we have modified our policy to the requirement that hats be worn for all outside activities from Sept 1 until the end of Term 1. This is consistent with the Anti-Cancer Foundation and Sun-Smart policies.

Unfortunately, a small minority of students have now seized the opportunity to wear baseball caps, beanies and hoods at school. This is not the ‘look’ that we wish to have as part of our school culture. Members of staff have unanimously agreed that these are not appropriate dress for school. Therefore, as has always been the case, students are requested not to wear baseball caps, beanies or hoods at school. A few students are also wearing casual windcheaters to school, often with the excuse that “my windcheater is dirty” or “my school windcheater is too small”. Parents are reminded that a letter, seeking a daily exemption, is required if students are forced to wear clothing that is inconsistent with the school’s Dress Code. There is an expectation that the exemption is for one day only and school uniform will be worn on the next school day.

The School Uniform Shop is open on Wednesdays, from 8:45 to 9:30 in the morning and from 3 to 3:45 in the afternoon. Good quality second-hand uniforms are also available from the Finance Office. We are more than happy to issue these free of charge if parents are experiencing financial difficulties.

OSHC NEWS

Term 3 is well and truly under way and the weather is improving! Kathy Strapps has taken long service leave and is on her long-awaited overseas trip. OSHC is now taking bookings for Pupil Free Day (Friday, Sept 7th) and School Closure Day (Monday, Sept 10th). We’re going bowling on the Friday and walking to Thalassa Park, weather permitting, on the Monday. Remember to cancel your children if they’re not coming to OSHC as most nights we are fully booked and we have lots of children needing care.

FATHER’S DAY

This year, Father’s Day is on Sunday, September 2nd. We will be holding a Father’s Day Stall, with gifts ranging in price from $1 to $6. It would be appreciated if students can have the correct money. From past years, we know that the children really enjoy this chance to get their Dad a special gift.

The stall will be held on Thursday, August 30th. If there are any goods left over, we will hold another stall again on Friday, August 31st during recess time for those who would like to have the opportunity to buy an additional gift.

FLAMES BUSY IN LOCAL SCHOOLS

On the Wednesday of Week 2, our jumpers were on the road again; this time Heysen and Nativity students were treated to a great show and two workshops by the Flames. It was terrific to have the team visiting again, especially in our neighbourhood. Our parent and grandparent supporters and transport providers included Janine Seiboth, Jenni Pacor, Caroline Reynolds, Carolyn Garner, Shirley Booth, and June Hodgkin. This term we’re looking forward to a Pt Elliot/Goolwa visit, 2 days’ competition at the Jump Championships and a good rest afterwards.

PEDAL PRIX

Round 2 of the HPV Super Series was held on July 29th at Victoria Park. The weather was a tad windy but that didn’t stop us! It was a smashing success with over 150 entries. Aberfoyle Hub School entered 6 bikes. One of our bikes came first in its category (8), whilst the girls’ bike (20) came first in the all-girls category. Overall, it was a great effort from everyone in the team, including teachers and parents.

SPECTACLE FRAMES

If your child has outgrown their spectacle frames and you’d like to give them to a worthy cause, Townsend House would appreciate them. Please drop any unwanted frames into Front Office by August 31st. Parent, Fiona Mitchell, is organising collection of old glasses through her local church and will ensure frames get safely to Townsend House.

MOBILE PHONES – A CHILD SAFETY CHECKLIST

Most mobiles allow internet access, thereby exposing child users to potential risks such access to adult content/’stranger danger’ content. Australian mobile service providers have taken steps to help you protect your child from this potentially harmful content. There are also ways to reduce the potential for you/your child to receive an unexpectedly high bill in association with your/their mobile phone service (e.g. blocking premium rate services). The Australian Communications and Media Authority together with children’s internet charity, Childnet International, has developed a checklist of questions to ask mobile providers when purchasing a mobile phone to help you protect your child. The checklist offers questions/background in: safety advice; costs/charges; international/premium rate services; Bluetooth-enabled phones; questions/complaints; internet access; chat services; access to/dealing with content unsuitable for children; nuisance/malicious calls; unsolicited emails/text messages and protecting your mobile from loss. Download the guide at www.acma.gov.au/mobilesforkids

CYBER BULLYING

What is cyber bullying? Are your children at risk? (If your child uses the internet or a mobile phone, the answer is probably ‘yes’.) Do you know who your child is talking to? Do they know who, on the internet, may be listening in? Are you aware of the dangers, possible threats or intimidation?

Come to a multi-media presentation on cyber bullying by:
David Uthenwoldt, Christies Beach Police Community Programmes Unit

When: Wednesday, August 22nd at 6pm for 6:30pm
What: Zonta Club of Noarlunga Southern Vales Dinner Meeting (community welcome)
Where: St Francis Restaurant & Function Centre - Bridge Street, Reynella
Cost: $20 for 2 course dinner. (Drinks bought separately from the bar.)
