We wish to sincerely thank members of the Governing Council of 2007, in particular Chairperson, Brigitte Maxwell and Treasurer Peter Clayfield for their strong commitment to their respective roles during the year. Peter Clayfield retires after 13 years on Governing Council - 12 of those as Treasurer - a great achievement and commitment. All Governing Council members and Sub-Committee Convenors provided us with support and sound advice and a willingness to be actively involved in the life of the school. Without their commitment the Hub would not run as smoothly as it does.

We acknowledge the extent of parental involvement in classrooms, Resource Centre, Canteen, Pedal Prix, Wakakirri, Jump Rope, Fun and Games, sporting activities and on excursions and camps. We value the presence of parents at assemblies and special school functions.

All members of the teaching and support staff are to be congratulated on their exceptional commitment to providing students with the best possible opportunities to reach their full potential. Their willingness to work together collaboratively and improve their own learning is something we strongly value at the Hub.

FAREWELLS

It is time to farewell many special people from the Hub. To the Year 7 students and families who are leaving with them – our very best wishes to you all. As this is the last newsletter for the year, we extend our season’s greetings for the festive period. A number of staff will be leaving us at the end of 2008. It is always a sad time as we have valued greatly their individual contributions to the life of the Hub School community. We thank each of them most sincerely and wish them all the very best for the future.

We farewell the following teachers who have been with us in 2008 - on contract or as temporarily placed permanent teachers: Jackie Patterson (Librarian), Olivia Lane (Year 3 Teacher), Margaret Henke (Year 3/4 Teacher), Michelle Guy (Year 4/5 Teacher), Nola Starkey and Gerri Thompson (Reception Teachers).

We also farewell SSOs Julie Campbell, Cheryl Hamilton, Rachel McBride, Sandie Sherriff, Mandy Lee and Janice Blacket. We are currently looking at SSO appointments for next year, hoping that a number of our temporary SSOs will be reappointed in 2008.
RETIRED

Two beloved and long-serving staff members are retiring at the end of this year - our Principal, David Rusk and Year 6/7 Teacher, Geoff Lock.

MR DAVID RUSK

Mr David Rusk, our R-7 Principal, will be retiring from the Education Department at the end of this year. He has given outstandingly dedicated and professional service to the children of this state, as a teacher and leader working with people for 40 years.

In that time, David has been in 15 varied locations around the state. His first teaching appointment began at Bordertown PS in 1968, followed by Henley Beach PS (1970-1973) and as Senior Teacher at Ascot Park PS in 1974. David travelled north with his wife, Vivien, to Pt Pirie for his first Deputy Principal appointment in 1975 at Risdon Park PS. Subsequent Deputy appointments were Sturt PS in 1979, Sheidow Park PS (1987) and Aberfoyle Hub School (1988-1990). His first Principal position was at Westbourne Park PS in January 1991, then Principal at Hallett Cove East PS in July of 1991 with the job of establishing a new school. In 1994, David made the most of every opportunity working as a cooperative Principal at Belair Schools. He was also actively involved in the co-location of the JP school onto the site of the PS. David has also worked as Senior Policy Advisor in the Office of the CEO and as Principal Policy Advisor to the Minister for Education and Children’s Services. In 2000 David was Principal at Craigburn PS followed by Junior Primary Principal at Craigmore South in 2001. David’s final Principal position saw him return to the Hub in 2002, where he has been actively involved in the community. He is always looking at ways to further improve the school, students and staff learning, and develop leadership in others.

Some recollections from David:

Driving the school bus in 1968 at Bordertown with no SSO support in my first year of teaching, 43 Grade 4 students and the excitement of it all; my first Deputy appointment in 1975 with nearly all of the teachers in their first year out of college; managing my new triplet sons whilst at Sturt PS; opening a new school in 1991 at Hallett Cove East in which the campus centred on individual houses; the challenging consultation process of the co-location of Belair JP and Primary onto the one site and my return to the Hub in 2002, are just some of the defining moments throughout my career.

Those who have worked with David appreciate his total dedication, enthusiasm, commitment and passion for life - family, school and community. David will be greatly missed by children, parents and staff. We wish David happiness in his retirement, which we hope will be healthy, relaxing and filled with enjoyment.

A farewell assembly will be held on the last day term in the Hall at 11:30am, when children will make a number of presentations to recognise David’s contribution to our great school. David will also be farewelled by colleagues from his previous schools, his friends at the Hub and DECS personnel on Friday evening.

MR GEOFF LOCK

Geoff is a passionate historian (in particular WW 1 and WW 2 history and in Pioneer Life). Many students would remember the legendary and passionate Geoff who inspired and enthused thousands of teachers and students during his time as an Education Officer at Pioneer Village on South Road. Artefacts are his passion and he uses these to tell his stories and make history come to life.

Geoff loves reading stories from Australian authors, in particular Colin Thiele’s books. Geoff continued to correspond with Colin Thiele until his death in recent years. Every student in Geoff’s class developed a deep understanding of stories from country towns in South Australia as a result of their reading of Colin Thiele’s novels. Geoff has a strong connection with Veterans. He recently successfully applied for a grant from the Dept of Veterans’ Affairs to provide a fitting memorial on our school grounds to commemorate the sacrifice of Australian men and women in war. A Lone Pine tree, with a suitably inscribed plaque and special protective fencing, is now a special feature at our school. Geoff has contributed to the life of our schools in a range of other ways - he has been an Aquatics Instructor, Pedal Prix Assistant Coach, SAPSASA coach (Cricket and Athletics), a BBQ cook extraordinaire (he’s happiest when he has his apron on and tongs in his hand) and a great camp enthusiast (who could forget the Monarto Zoo Camps for Yr 6/7s).

A proud unionist, Geoff has been actively involved in the AEU. His involvement has always been balanced, passionate and student-focused. This year he won one of AEU annual awards year for his outstanding contribution to children of this state. Geoff values the strong connection between parents, families and the school. He still keeps up connections with students who were in his class years ago. Geoff is greatly loved, respected and admired by students, teachers and the Aberfoyle Hub School community, who will dearly miss him in the future.

We wish Geoff great happiness and fulfilment in his retirement. We have no doubt he will continue to contribute in a very significant way to the lives of young people and to the things he is so passionate about - Veterans, local history, wonderful stories from the past, his many collections of artefacts and his strong belief in things Australian.
APPOINTMENTS / RE-APPOINTMENTS
Louise Bryant is remaining at the Hub during 2008 and Wendy Lithgow has been re-appointed to our school for 5 years as Coordinator (Pedagogy and Engagement). Paul Hoopmann and Judy Smith will be joining us as classroom teachers and Sophia Kirkvliet has been appointed as our new Teacher / Librarian.

FLAMES ON JETTY ROAD
On Sunday, November 25th our Hub Flames were in the Glenelg Christmas Pageant representing the Heart Foundation. We walked in the parade with the Jump Team from Woodend PS and provided entertainment beforehand for the crowd as they waited for the start of the parade. The weather was just right and onlookers, including a number of teachers and families from school, enjoyed watching our young performers - the colour, movement and music is always a stand-out part of the pageant. As usual, the Flames did a great job out in public and we thank them and their families for their great support, particularly Jenni Pacor and Debbie Nicks who carried the Heart Foundation Banner and Chris McFadyen who assisted during the pre-parade entertainment.

EXCURSION TO THE ZOO
On Wednesday, November 21st Rooms 15 and 9 children visited the Adelaide Zoo.

We saw the big gate where the road is. It has been there for 100 years. Then we saw the giraffe’s enclosure. It was great. It had trees and a big building. Behind the giraffes was the brown bear. It stood under the waterfall. Caitlin

We were all talking a lot but we did not care about that, we cared about the animal enclosures and how to make them better and to see if they were too big or too small. We went into the elephant house. It looked too small for an elephant. We also saw some changes from when we went there last year. There were not many pelicans but now there are quite a lot of them. Most of us liked the nocturnal house best of all because there were a lot of coloured lights. The flamingos were the oldest animals in the zoo. I liked the flamingo enclosure best, because it looked nice and fresh and botanical. The zoo is 130 years old. Jade

We went to the nocturnal house. There were electric eels, the bats were hanging upside down and the bilbies were digging. Next, we saw the meerkats’ enclosure. It was very good. They had bugs to eat and stood up on the piece of wood. It was so funny. All of the class was laughing. Zac

Everyone liked the meerkats and the giraffes. The meerkats had quite a good enclosure. They were very cheeky. The giraffes’ enclosure was good, except the part that was concrete, which is not good for the animals. We all liked the monkeys. They were the funniest, because they kept swinging like crazy. We all had a great time and I think there were some magical changes. Sarah

We went to Mr Minchin’s house. We saw a picture of it in the olden days. After that, we went to the old elephant house. We also saw George the orang-utan’s skeleton in a glass cabinet. Then we went to a grassy area to eat recess. After that we went to see the lions. We had a lot of fun. There have been a lot of changes with the elephants, monkeys, birds and gates. The day was beautiful and sunny. We learnt a lot. Bronte

REMEMBRANCE DAY
AT ABERFOYLE HUB SCHOOL

Down on the oval we went as a class.
We listened carefully as we sat on the grass.
We remembered those who gave their lives.
A two minute silence to those who died.
We must remember to think of the past.
The grass was red with poppies worn.
And all thought about that dreadful dawn.
Thinking of loved ones who fought for us.
Those fighters all needed a hug.
And all those soldiers were shredded and torn.
