28th   Governing Council Meeting (Staff Room)  7pm
29th   R-7 SPANISH Assembly (Hall)  11:25am

July
4th    MID-YEAR REPORTS GO HOME

AFTER SCHOOL PICK-UP ARRANGEMENTS

Teachers are on yard duty after school until 3:30pm. Students are required to leave school grounds at 3:20pm unless they are registered and supervised by OSHC staff or are at Sports Practice. Children attending sports practice need a clear understanding of when practice begins and finishes and how they’ll be going home. If practice does NOT begin immediately after school, students should go home (and return to school) or register with Out of School Hours Care. Parents who allow children to play on school grounds after 3:30pm, do so at their own risk. Students who are on school grounds and behave inappropriately or are disrespectful to OSHC staff will be asked to immediately leave the grounds.

We ask that parents be on time to collect children. Phone the school if you’ve been delayed and we’ll pass on the message. If parents have not collected their child by 3:30pm, the Duty Teacher will bring the child to Front Office, staff will ring to ascertain the reason for the delay and we will make appropriate arrangements for the care of your child. When coming to Front Office to collect your child please identify yourself to staff and who it is you are collecting. This ensures the safety of your child and that they are being collected by the nominated person.

NOTICES THIS TERM

• Aberfoyle Community Centre Inc. - Term 2 Information
• Shrek 3 Ticket Order Forms - Pedal Prix fundraiser 28/5/07
• Head Lice Notice – 4/6/07 (Room 15 only)

MIDDLE SCHOOL
Confidence:   Dylan T, Gemma H, Maddie A, Sophie M & Tayla F
Organization: Adrian S, Daniel W, Jonty M, Pamela K, Riley B, Sam N & Room 1 students
Resilience:   Amy P, Jennifer O & Liam A
Music:        Daniel W, Erin C, Keaton S & Sharon M

VISITING TEACHER

Mr Calvin Kan, a visiting teacher from Hong Kong, has been with us for the past two weeks. Mr Kan, who teaches English to Middle School students, is in Australia as part of a DECS sponsored ESL (English as a Second Language) program.

PRINCIPAL ON LEAVE: REMINDER

David Rusk is on leave from Weeks 6 to 8 this term. Sarah Magnusson is Acting Principal and Zoe Farquhar is Acting Deputy Principal in David’s absence. To avoid further disruption to classes, an Acting Assistant Principal has not been appointed.

CRIMINAL HISTORY CHECKS

We have been informed that parents who have already completed these checks will have their clearance valid until new DECS procedures are in place (normally, the clearance is for a 2-year duration).
NEW PASSIVE SMOKING PROTECTION LAW
Commencing on May 31st 2007, new State Government legislation makes it illegal to smoke in a car when children under 16 years are also in the car. Children and babies are especially vulnerable to the harmful effects of passive smoking. They can spend many hours travelling in cars each week and often have no choice about their exposure to tobacco smoke. Children's lungs are less well developed and passive smoking increases their risk of developing illnesses such as asthma, bronchitis and middle ear infections.

Police Officers can issue on-the-spot fines of $75 to anyone they see smoking in cars in the presence of children. A maximum penalty of $200 applies to this offence.

For further information, please call the Tobacco Control Unit at Drug and Alcohol Services SA on (08) 8274 3451 or visit the website: www.tobaccolaws.sa.gov.au.

Posters and stickers for displaying in motor vehicles are available on request.

COME OUT PERFORMANCES

Quantum Leap
On Wednesday 9th May, the Year 6/7 classes went to one of the Come Out performances, ‘Reckless Valour’, performed by a group called ‘Quantum Leap’. It was a contemporary dance based on the War Memorial in Canberra. There were a lot of dancers aged between 14 and 27. It was amazing how they could turn the war into a terrific dance. To assist the dancers in telling their story, there were some visual images of the War Memorial. Most of us thought that it was really interesting, because it was very different and the dancers were extremely talented.
Erin H & Paige E
Rm 2

Ned Kelly
In Week 2, the Year 3-5 classes went to see The Legend of Ned Kelly at the Festival Theatre. Everyone enjoyed themselves. Unfortunately, one of the four buses broke down on the way to the theatre. Mr Murphy’s class gave the performance ‘8 out of 10’.
Luke B, Nick Ro & Josh M
Rm 18

Hickory, Dickory Dock
On Friday 18th May, the R-2 classes travelled to the Space Theatre for ‘Hickory, Dickory, Dock’ a mix of song, music, video clips, story-telling word-play, games and children’s activities designed to enrich the theatre experience for children. Room 15 loved the use of technology and design in the performance.

DI's DIALOGUE

The next instalment of the 21 Positive Attributes by Michael Grosse centres upon self-esteem and learning.

9. Optimism: Children have a positive view of the future and feel confident in their ability to deal with challenges. They understand the skills of optimism and positive thinking.

10. Health & Fitness: Physical well-being impacts on children’s ability to achieve and on personal confidence. Their lifestyle contributes positively to their physical well-being.

11. Motivation: Children are personally motivated to achieve and improve. Adults understand the importance of positive expectations, recognition and other external motivators.

12. Organisation: Children can organise time, space and possessions to maximise effectiveness at school and at home.

Christian Pastoral Support Worker

BOOT BANK FOR REFUGEES

About 1,500 refugees settle in South Australia each year, with half of those being young people. Many refugee youth are getting involved in outdoor sport (football, soccer, hockey, etc.) and this participation provides many benefits to themselves, their clubs and the wider community. However, the cost of participation is often prohibitive as they struggle to meet the costs of fees, uniforms and boots, whilst trying to live on a very limited income.

Football boots are always in demand and many young players also need outdoor sports boots in order to participate fully. All sizes are welcome. If you have a pair of second-hand boots that you would like to deposit in the Boot Bank, give them a good dust-off and deliver them to Front Office. We’ll pass them on to the Hub Recreation Centre to send to the Australian Refugee Association.

**Canteen News**

Due to the increasing number of late orders, in the event of an order not being received by recess time or students having left lunches at home, **students will only be offered a cheese or vegemite sandwich.**

Orange Cups are only available at lunchtime.

**New Menu Items:**
- Nippy’s Apple Juice  
  Nippy’s Apple and Black Currant Juice  
  Dodstar (Chicken breast with vegetables in a crispy potato coating)

**Spares Clothing Needed**

With Winter upon us, our supply of spare (warm) clothing in Front Office has become depleted. If you have any tracksuit pants (only sizes 6 or 8 needed) that you no longer require, we will gratefully accept them. We are also in need of **ice cream containers** for use in Sick Bay.

**Library Borrowing**

We expect students to take responsibility for selecting their own books, but also encourage parents to support their child in the borrowing process. We have a parent and family section and an excellent range of books for pre-schoolers. If you wish to borrow from these sections, please ask the Resource Centre staff to arrange a parent borrower’s card.

**Oshc News**

A very important reminder for everyone – **Vacation Care Bookings Will Be Taken From Tuesday 12th June In The Morning.** Please get your bookings in early to avoid disappointment. OSHC is now fully booked for regular bookings in the afternoon. However, we have many families requiring casual or emergency care. If you have a permanent place booked and don’t require it because of illness or days off, etc., please let OSHC or the office staff know so we can provide care for other children. The cold weather has hit us, so most nights you will find a huge group of children in the Hall. We also access the Library on some nights and rely on the children following the rules and procedures for moving around the school. Please let your children know the importance of being safe and following OSHC procedures at all times.

**Library Borrowing**

We expect students to take responsibility for selecting their own books, but also encourage parents to support their child in the borrowing process. We have a parent and family section and an excellent range of books for pre-schoolers. **Heat Is On For Hub Flames**

A busy first half of the term has seen the team:

- At a school visit to Macclesfield
- Participating in a Workshop Day at ETSA Park where they gained skills in a whole-day learning situation with other jump rope teams
- Jumping for the late-night shopping crowd in Rundle Mall
- At a school visit to St Peters Woodlands Grammar School, Glenelg.

The Flames have been excellent ambassadors for our school at all these events. In particular, the St Peters visit brought out the best in the team. Their really enthusiastic (and I mean enthusiastic!) audience gave us one of the best receptions I can remember and the Flames warmed to the occasion and pulled off a stunner of a show. Also, their work with the St Peters students afterwards in workshop time was fantastic in how co-operative and helpful they were. It is a pleasure to watch our team continue to achieve at such a high level.

A special mention to our assisting parents over the past few weeks - thank you Richard and Sharyn Parsons, Caroline Reynolds, Sandi Higgins, Janine Seiboth, and Carolyn Garner and Zoe’s grandma, June.

Morgan, Abbey, Kayla & Sinead plan their choreography at their Workshop Day

Mr Murphy, Tayla, Kayla & Jess help St Peters students get active
KYTONS FUNDRAISING

Out of Hours School Sports have organised a Kytons Fundraiser to raise funds to replace/purchase equipment for the out-of-hours sports that Hub students play (Basketball, Cricket, Football, Netball and Soccer). If your family isn’t involved in any of these sports and you’d like to order Kytons products, collect an order form from Front Office, Resource Centre, OSHC or the Finance Office. Families with students involved in Out of Hours School Sports will have received an order form from their child’s coach.

The following products are available: Lamingtons; Choc Chip/Macadamia & White Choc Cookies; Fruit Crumbles; Family Pies; Apricot Macadamia Slice; Sticky Date/Chocolate Self-Saucing Puddings; individual Pies; Cheese, Veggie or Pasty Rolls and old fashioned Play Dough (in 2 colours)

Return orders, together with money, to the School’s Finance Officer (directly/via your child’s teacher) by MONDAY, June 18th. Orders will be available for collection on THURSDAY, June 28th in Unit 1 Wet Area from 3pm to 3:45pm. If you can’t pick your order up at this time, make a note on your order form re alternative arrangements (e.g. will collect next morning / friend to collect).

Linda, Jean, Grant, Chris, Deb, Adam, Jane & Lyn

Jumpys Chips (55c)
JJs Vego Chips (60c)
Students can wear casual clothes to school (there is no charge)
Only CURRENT students of Aberfoyle Hub School can attend the evening discos.

SCHOOL FAIR

The 2007 School Fair on Sunday, November 18th (10am-3pm), looks to be even bigger and better. Organising for the Fair is already in full swing. We’ll have all the favourite stalls with classes having already nominated what they’ll be doing. Letters for donations have been sent out, as without the support of our community we would not have prizes for side-show alley or the auction. If anyone you know could help in this area, contact Steph Mosel on 8387 1226 or Front Office. Community support is also needed for fair displays and entertainment. If you’re involved in a club or something you’d like to promote, contact us.

Wednesday of Week 3 was an exciting day for our R-2 classes as we **CAME OUT** and **PLAYED** for the day. This event was part of our COME-OUT youth festival celebrations and was brilliantly organised by **Noela Kellock** and supported by the whole R-2 team. A special ‘thank you’ must go to **Lex**, Noela’s husband, who arrived with the rest of the team around 7am to transform the Junior Primary playground into a character wonderland.

Classes ‘budded up’ during the day and engaged in a range of play activities which supported learning in all areas of the curriculum. The faces of children and parents as they arrived at school and saw the transformed playground was a delight to witness as was the engagement and learning throughout the day. Well done to the whole team - a great day was had by all.
