LOST PROPERTY
Please check the lost property bin and general-use areas within the school for any items that may have been misplaced during the year. The lost property bin is located in the Unit 1 corridor. Many thanks to Janice Blacket for her tireless efforts in sorting and returning/redistributing lost property in 2008.

OUTCOME OF POLL
The poll conducted in relation to our Materials and Services charge for 2009 closed last Friday. The results of the poll are as follows:

- Total number of families responding to the poll: 26%
- Those families voting in favour: 71% against 29%
- Total votes in favour: 70% against 30%

We will now be seeking final approval from the Chief Executive prior to invoicing at the beginning of the 2009 school year.

TERM 4 TRIAL BULLY AUDIT
The ‘Trial Bully Audit’ was conducted mid-term with 4 classes. Prior to the audit, the teachers involved spent valuable time explicitly 'unpacking' what ‘bullying’ is, talking about terms such as ‘bullier’, ‘victim’ and ‘by-stander’, along with why you need to tell and seek support. This has been well received by our students and has provided a heightened awareness of on-going, unwanted behaviour from others that falls into the category of bullying. Following the audit there has been an increased confidence in students reporting such unwarranted attention of others and seeking support from teachers.

From the 4 classes (approx. 80 students) involved in the audit, there were 17 incidents reported where students felt they had been bullied. From these incidents there were 10 students identified. Class teachers have followed up with the students who were identified and the students who were the victims to resolve the issues. Where needed, families have been contacted to share information.

Our staff have undertaken to:
- Explicitly teach what ‘bullying’ is, what constitutes a victim, bystander and bully
- Encourage students to tell of “bullying” incidents and seek assistance
- Develop a common understanding and terminology across the school
- Conduct a Bully Audit across R - 7 twice per year in Term 1, Week 9 and Term 3, Week 4
- Follow-up students identified by class teachers and management, involving families where applicable
- Collect data across the site
- Encourage students to complete the existing green/yellow bully forms for incidents that occur at other times during the year.

We are committed to ensuring that our school is a safe place for everyone.

GOVERNING COUNCIL NEWS
Dear Parents/Caregivers,

As Chairperson of Governing Council, I am writing to explain some of the issues involved in the current Teachers’ dispute with the State Government.

Despite reports in the media, there is much more to this dispute than just teachers’ salaries. A major part in the Enterprise Agreement that the government wants the teachers to agree to is a proposed change in the way schools are currently funded. A move to the ‘single funding model’ presented by the Government could affect the staffing allocation for our school, class sizes and special programs. For our school this could mean such drastic actions as:

- Having larger numbers of children in some classes.
- Children having to move classes during the year as enrolment numbers increase or decrease, requiring the school administration to keep the budget in line.
- The loss of our special programs as these are funded out of a budget line that will cease under the new agreement, thus making it difficult to continue all the good work we have done to date.
- SSOs (School Services Officers) will be employed on a short-term, casual basis meaning inconsistencies in the support for children in need of extra assistance.
- A reduction in the administration time of the school at a time when the Principal will be asked to become a Business Manager rather than an Educational Leader.

As you can see, the current certainties that exist in the staffing of the school and the offering of a range of curriculum programs that benefit our children will be greatly affected.

The Governing Council is very concerned about the detail and direction in this Enterprise Agreement and asks that you demand the Government Ministers resolve this dispute immediately and in the best interest of our children and our highly valued educational staff. It would be valuable to personally write or email members of parliament asking them to end this dispute and work proactively with the AEU to resolve this issue for the future of education in South Australia.

CLASSES 2009
On Friday we will announce the proposed classes for 2009. We ask that you support the decisions that have been made as a great deal of time has been devoted to ensuring that students are placed where they can be successful learners. We will begin the year with 9 Primary classes and 7 R-2 classes. Due to the uncertainty of our numbers there is always a likelihood that slight modifications to placement will need to be made during the first couple of weeks of the new year. Any changes will be negotiated directly with Parents/Caregivers if the need arises.

GRADUATION
The Year 7 Graduation Ceremony will be held in the School Hall on Thursday evening, December 11th at 7pm. All students will receive their Graduation Certificates. Several students will also receive Certificates of Excellence for School Service and a representative of the Rotary Club of Flagstaff Hill will also present the Student of The Year Awards for 2008.

DI’s DIALOGUE
Well, it’s the end of another year! For me it’s been a wonderful year of yet again sharing in the privilege of getting to know your children a little more. They truly are a gift and I guess at this time of year I would encourage you to think of our ‘gifts’ in a new light. Many of us get caught up in ‘the silly season’ and Christmas time doesn’t have to be a ‘break the bank’ kind of experience. Maybe you could introduce a new gift, called ‘Family Time’ and endeavour to spend more time next year with the children doing family events, rather than individual entertainment activities such as computer and TV. These pursuits can be as simple as sharing in a board game together, spending time talking around the tea table or going for a walk to the park after all clearing away the tea dishes. I take this opportunity to wish everyone a happy and blessed Christmas.

Christian Pastoral Support Worker

ENVIRONMENTAL EDUCATION CENTRE
Thank you to Mr John van Antwerpen for donating, once again, earthworms for our Centre. His worm farm business is at 142 Wheatsheaf Rd, Morphett Vale, Ph. 83250221, if you are interested in purchasing worms for your garden.
The chickens have laid well and egg sales have been very successful (783 so far).

OSHC NEWS
Wow, the end of the year is nearly here! We have had a very hectic term as far as administration goes. The children have been fantastic and helped us by playing games, doing activities and having fun safely each day. November 24th was our transition to the new CMMS system. Our database changed dramatically and we now process attendance details online direct to DEEWR in Canberra. All CCB information is held there and sent to us the next day for processing accounts. It is a lot for us to get our heads around but slowly and surely we are getting through the glitches. Vacation Care bookings have been huge, with many days booked out within the first couple of days. Vacation Care is also available at neighbouring schools. We wish everyone a happy, safe Christmas and holiday period and look forward to supporting families and children next year.

SAPSASA NEWS
CRICKET: In Week 4 we played Cricket for Southern Valley. The team was very successful and came 2nd overall, losing in the final to Southern Yorke Peninsula by 1 run. Our team played very well, winning our 3 other games in the week. It was a great experience. Lachie & Brendan
FLAMES ON THE MARCH
There was pre-parade entertainment and a colourful marching group provided by our jumpers a couple of Sundays ago in the 2008 Glenelg Christmas Pageant. The Flames were out in force, and according to pageant organisers in feedback afterwards, our team is a “must have” for the parade – they seek out our attendance and ask especially if we can do some jumping on Jetty Rd while the crowd arrives.

Our team’s movement, uniforms, music, and representation behind a big Heart Foundation banner add colour and interest for the pageant – its great that our group provides such an impact. Thanks to Dana Pearton, Dave Garner, Chris McFadyen and Janine Seiboth for their assistance during the parade, and to all parents who got their children there to join in.

In other news, the co-ordinator of the SA JRFH teams, Colin Rowston, was to come to our R-7 assembly last Friday to present the Flames with their state championship trophy, but he was unable to make it, so I stood in for him. It was a great moment to receive the trophy.

Our Year 7 Flames jumped for the last time for us also, doing their “Last Hoorah”. And so ends a sensational jump year…a top job from a top team.

OUT OF SCHOOL HOURS SPORT
It’s amazing how quickly the year seems to go by! On behalf of the school staff, I’d like to thank all those parents who have assisted in some way with our out of school hours sport program - the coordinators, coaches and managers, those of you who have given your time in the Sports Canteen and the parents of the players who realise how important team sport is in their child’s development.

We realise that the sport program would not happen and would not be as successful if you did not put time and effort into supporting the students. The sport nomination process for 2009 will commence in the first week of Term 1 next year. Sport nomination forms will be sent home to all families in the first week and will be due back by the end of Week 2, Term 1 so that invoices can be raised for the sport fee and summer sport teams nominated. At this stage, sports offered will be Cricket and Kanga Cricket, Basketball, Netball, Soccer and Aussie Rules and Auskick.

None of these sports can be offered unless we have coordinators, managers and coaches, so we are seeking expressions of interest from parents who are able to assist in one or more of these roles in 2009. The school is willing to pay the cost of a level 1 coaching qualification and will help new managers or coordinators settle into the role. Please contact me or Sarah Magnusson at the school if you can give some of your time to support out of school hours sport.

BASKETBALL TOPS TO BE RETURNED
ALL BASKETBALL TOPS NEED TO BE RETURNED TO FRONT OFFICE BY MONDAY, WEEK 10 OF TERM 4. Please attach a note to the top indicating the student’s name and room number. There will be a $20 credit on receipt of tops when they are returned at the END of the season.

**HEALTHY HOME ENVIRONMENT STUDY**

Have you got concerns about your child’s weight?

Dr Nicola Spurrier and her team from The Paediatric Department at Flinders University are currently recruiting families of overweight children aged 4-11 years to participate in The Healthy Home Environment Study.

Specially trained health visitors will visit your home to provide individualised advice about your child’s lifestyle.

An initial assessment will be made and a detailed report will be provided with practical suggestions about how to make healthy food choices and improve physical activity for the whole family. Support for implementing the suggestions will be provided over 3 months through regular phone contact.

If you would like find out how your child and family could benefit from this individualised, home-based program please contact:

Aberfoyle Hub’s ART Calendar is here once again

This year our theme reflects one of our school values – Caring for Our Environment. The pictures have been created by students from R-7. They reflect some of the Environmental Education programs that we run at the school as part of our mission for sustainability. They include the vegetable garden, the chickens, tree planting, frog watch, water watch, recycling, the worm farm and a vision for a peaceful and wholesome world.

The main goal of this project is to showcase the students’ work in recognition of their artistic talent.

A preview of the work can be seen on the coordinator’s office window. It is NOT a fundraising venture.

Students were involved in making the choices about which drawings to publish, and also took part in the digital editing of the final product, scanning the pictures and choosing colour schemes etc.

The Calendar has been printed professionally
