FROM THE PRINCIPAL

Dear Parents/Caregivers,

BUILDING THE EDUCATION REVOLUTION (BER)

It is with great excitement that I can now say that we have reached the completion of the BER Project.

It has been at times quite a daunting job but the outcomes for our school have been tremendous.

After Unit 5 was handed over we were fortunate to receive remaining funds of $59,960.00 that we added to the remaining Fixtures Furniture and Equipment allocation that gave us a total of $94,000.00.

The funds have been used as follows –

- Fixed PA System in the Hall
- Furniture, equipment and fittings for Unit 5
- Science tables and stools, pin up boards, drama blocks, mobile white board, 16 laptops and wall storage units
- Fixed seating around perimeter of Unit 5 building and other outdoor settings on Multi Purpose Room and Unit 2
- New blinds for the Multi Purpose Room and some classrooms
- New signage on buildings and outside locations around the school
- Landscaping around Unit 5 and the front of school
- Hall storage

I would like to acknowledge again the Federal Government for providing the money to our school ($3,000,000) that has given us the opportunity to greatly improve and enhance our fantastic buildings and surroundings.

We are truly fortunate with what we have been able to achieve.
I would also like to acknowledge Heather Brown and Jane Summers who have been instrumental in managing the coordination of the works this year.

Thanks and appreciation to staff, students and our community for their understanding and patience during the BER project over the last 2 years.

WELCOME TO NEW STUDENTS

The Hub welcomes all of our new students.

Some students are new receptions and others have transferred from other schools.

WELCOME TO ALFONSI

Special welcome to The Hub to **Alfonsi** who has joined our school community for the first 4 weeks of the term.

Alfonsi has come to us as a Spanish Intern from Madrid. Alfonsi has relatives in Sydney but she was attracted to Adelaide with the opportunity to work in an Australian school. During Alfonsi’s time with us she will work as a teaching assistant primarily using English language, but with some time assisting with Spanish language.

Alfonsi will work alongside Senora Lydia for part of the week and with Angela T and the Year 2/3 class in Room 13.

Other subjects Alfonsi has an interest in include sciences, history and maths.

We all look forward to getting to know Alfonsi while she is here at The Hub.

DISABLED PARKING

Over the next few days there will be some alterations to our disabled parking area.

One of the disable parks will be changed into a **LOADING ZONE** for deliveries to our school.

Recently we had an occasion where one of our staff was almost fined over $300 for parking in a disabled park while she was unloading some supplies for our school.

Please keep in mind that parking in illegal areas around the school can be a very expensive exercise.

IMBALA JARJUM PERFORMANCE

On Thursday 19th July “Imbala Jarjum” performed for all students Reception – Year 7 in the Hall.

The cost of the performance was covered by using Aboriginal Education Funds.

The performance included traditional dance that depicted the Australian environment and the spiritual connection the Indigenous Australians have with the Land and the Dreaming.

The show included music, body art, story telling and demonstrations on the didgeridoo.

“**At the performance I liked the kangaroo act. The man played the didgeridoo and he told us a story about a boy. I liked it.**”

By Kane L in Room 10A

The performers, Luke and David were exceptional with engaging the students and displaying their incredible skills with both dance and music.

The performance was thoroughly enjoyed by students and staff.

COLES AND WOOLWORTHS

A fantastic effort by our school community in collecting both the Coles tokens and Woolworths stickers.

We have already accumulated 2 big bags of tokens and over 15,000 stickers.

Both these promotions run until the middle of August with double points often being given.

Keep those points coming in as we work towards extra sports and other learning resources for our school.

SRC NEWS

This term is a very busy one for our SRC. We have lots of exciting activities planned which we know the students will enjoy.

Hubs Got Talent is planned for weeks 4 and 5. Students can get together in small groups or as individuals and perform their item during lunch time to their peers.

The cost is a gold coin per item that reach the finals and a silver coin to be part of the audience.

More information has been given to any student who is thinking about entering.

A Year 4-7 night time disco is planned for Friday 24th August.

A separate flyer advertising this will be given out.

Market Day is our biggest fundraiser for the year.

DI’S DIALOGUE

As I wrote last term, this term we are going to have a huge focus on Community outside of our own in the form of World Vision’s 40hr Famine.

The students will see videos prepared by World Vision, and there will be a seminar run jointly by the local churches and our S.R.C. Exec. (if you have any concerns about the content of this seminar please see me. If you wish to have your child not included a written note needs to be sighted by the teacher)

I would remind you that we are asking each student to request 5 sponsors for just $2 each. For this sponsorship the students will be giving up recess on Tuesday 14th.

To celebrate our community focus on this day we will be opening up to the rest of the community with a soup and scone lunch.

I am seeking parent/caregivers help on Tuesday 14th as we will be preparing the soup and scones ourselves.

Please see me if you can help for any length of time on this day.

**OSHC NEWS**

Our OSHC service had another successful and happy Vacation Care program during July.

The children enjoyed many of the challenging activities on offer, including putting up a tent and cooking marshmallows over a campfire, drawing lessons, cooking, karaoke and making craft from Spain and Hawaii.

We also had a wonderful excursion to Monarto Zoo where the children got to see and learn about the animals there.

Following the implementation of the National Quality Framework and the Education and Care Services National Law Act (2010) our service staff has been putting together the Quality Improvement Plan (QIP). This plan includes an assessment of the quality of the practices of the service against the National Quality Standard and the National Regulations. It identifies areas of strength and any areas that the provider considers may require improvement. The Quality Improvement Plan will be available at the service for any interested families to read.

Governing Council members will have the opportunity to read through it and approve it for submission as the Approved Provider of our service.

You are welcome to come and see the OSHC staff if you are interested in reading through the QIP.
