FROM THE PRINCIPAL

Dear Parents/Caregivers,

HOMEWORK AT THE HUB

Depending on whom you talk to, whether it is students, parents/caregivers, teachers or any other interested party the view about “Homework” will vary enormously.

Here at the Hub we have recently reviewed our Homework Policy which has been sent home today with your child for your information.

We believe that Homework is important and should be valued because it –

- Strengthens the home-school links
- Allows for practising, extending and consolidating work done in class
- Teaches students how to plan and organise their time
- Develops students’ research skills
- Establishes habits of study, concentration and self-discipline which will serve the students for the rest of their lives
- Reaffirms the role of parents and caregivers as partners in education
- Provides parents and caregivers with insights into what is being taught in the classroom and the progress of their child
- Challenges and extends gifted and talented children

I encourage you where possible to positively engage and connect with your child/ren with their homework.

Principal

SAPSASA CROSS COUNTRY

On Thursday 9th May, sixteen cross country runners from Aberfoyle Hub R-7 School competed against local schools on a course near Woodend Primary School. The course was challenging and the conditions were difficult as it was unseasonably hot.

Runners born in 2003 (Sam L, Leah C, Tayla J, Samantha A and Emma A) had to run 2 kilometres while the older runners (Hannah D, Max C, Jayden L, Matthew R, Katie S, Caitlin B, Shelby B, Beth L, Rebecca C, Emma M, and Chloe L) ran 3 kilometres.

All runners tried their best and showed great persistence.

Special mention should be made of the medal winners:

It was great to see so many parents/caregivers and supporters encouraging the runners on the day.

Thanks very much all those parents/caregivers who provided transport and special thanks to Trevor L who brought a marquee for shelter.

CHRISTIAN PASTORAL CARE WORKER

Wow! Recently I spent time at camp with the two Year 3/4 classes and one Year 4 class. What a jam packed camp it was! The students had a ball and so did our adult leaders.

We had some challenging moments i.e. I went into ‘the cave’ for the first time, the most challenging thing (almost) I have ever done. Of course the students loved it and for the most part found it ‘easy’, but as a bigger, older person, UMM!

On another note, in days to come you will be seeing decorations of all sorts appearing around the school.

Please encourage your younger children to look but not touch. As you are no doubt aware we are decorating for the future gardens project and my Community focus this term is focused on changes within ourselves and the impact we have on the community. As a pictorial example for this process I have chosen to decorate the school with butterflies. They of course fit in with the garden and change themes.

Lastly I would like to draw your attention to my suggestion box. This is a large box which sits outside my room and is available for any and all suggestions to do with our school and my role in particular. Please feel free to write yours or your children’s suggestions and ‘post’ them in the box.
