PUPIL FREE DAYS 2015:
Term 2: Tuesday, June 9th
Term 3: Friday, September 4th
Term 4: Monday, November 30th

SCHOOL CLOSURE DAY 2015:
Term 3: Monday, September 7th

STUDENT RECOGNITION AWARDS

FROM THE PRINCIPAL

Dear Parents/Caregivers,

AUSTRALIAN CURRICULUM: TECHNOLOGIES

The Technologies Curriculum comprises of two subjects:

- **Design and Technologies**: students use design thinking and technologies to generate and produce designed solutions for authentic needs and opportunities.
- **Digital Technologies**: students use computational thinking and information systems to define, design and implement digital solutions.

All students will study the two subjects from Reception to the end of Year 8.

In Year 9 and 10, student access to Technologies subjects is determined by each school.

The curriculum for each Technologies subject is taught in bands of year levels:

- Reception – Year 2
- Years 3 and 4
- Years 5 and 6
- Years 7 and 8
- Years 9 and 10

Knowledge, understanding and skills in each subject are presented through two related strands:

- Knowledge and understanding
- Processes and production skills

Time allocation for Technologies varies according to each band ranging from ½ hour per week for Reception - Year 2 to 1 ½ hours per week in the primary years.

Design and Technologies and Digital Technologies allow students to develop a comprehensive understanding of traditional, contemporary and emerging technologies. It also provides the flexibility for developing integrated teaching programs that focus on both Technologies subjects in other learning areas.

Sarah Magnusson       Endorsed: Julie Gallaher
Deputy Principal       Principal

RECEPTION ENROLMENTS FOR 2016

If your child is eligible to start school in 2016, please advise us as soon as possible if you wish to enrol your child at the Hub for 2016. Enrolment forms are available from Front Office. This information will help us to make informed decisions about class placements for next year.

RESPONDING TO ABUSE AND NEGLECT TRAINING: 3RD VOLUNTEER SESSION - TERM 2

It is a DECD requirement that **ALL** volunteers, including mentors, Sports Coordinators/Coaches/Team Managers not only complete a Volunteer Pack and have a CURRENT Relevant History Clearance, but also complete a 2-hour ‘Responding to Abuse and Neglect’ (RAN) training session.

Earlier this year we offered RAN training sessions in March and May which were well attended. In the last
week of Term 2 we are offering a third session for those who couldn’t make it to the previous sessions.

The session will be held in our Resource Centre on Thursday, July 2nd (1pm - 3pm). Please contact Jane at the Front Office to book in (by Friday, June 26th) to attend.

Please make sure that you attend a training session to avoid the disappointment of not being able to volunteer to assist our students at the Hub. We appreciate and value the support of all of our volunteers and want to make sure each and every one of you can contribute to our school community.

If you need further information please don’t hesitate to contact me.

Julie Gallaher
Principal

2015/2016 ENTERTAINMENT BOOKS

Entertainment Books – Worth their weight in Gold!

We have in stock limited new supplies of the 2015/2016 Entertainment Book, so purchase your new book now.

Aberfoyle Hub R-7 School is raising funds by selling the 2015/2016 Entertainment Book. Selling for $65, proceeds raised from the sale of the Entertainment Books will help fund Student Representative Council initiatives.

Entertainment Books contain hundreds of 25-50% off and two-for-one offers from popular restaurants, cinemas, hotel accommodation, the arts and sporting events and are a great idea as birthday or anniversary gifts for family and friends. If you are interested in purchasing the books, we have them at school in limited amounts and they are selling fast.

PHOTOS COMING SOON

We are pleased to advise that MSP Photography will be taking our school photos again this year on Thursday, June 11th and Friday, June 12th.

Parent/Caregivers can send money to school in the envelope provided. Please note that envelopes containing money are given directly to the photographers and not to Front Office on the day. Correct money needs to be provided on the day as change will not be given.

On-Line Ordering: Parents/Caregivers are now able to select their preferred package including Family/Sibling packages when ordering online at www.msp.com.au.

In 2015 the range of options available to you online has increased. As well as the option to download a Low Resolution image for a smart-phone, parents/caregivers will now have the option to purchase a High Resolution Digital Download of their child’s image.

An added incentive for our families is that MSP now offers a 10% discount for all family orders above $90.

MATERIAL AND SERVICE CHARGE/EXCURSION LEVY/PAYMENT BY INSTALMENTS INFORMATION

Thank you to families who have paid or part paid their child’s/children’s Material and Service Charge and Excursion Levy for 2015. However, there are still accounts that are overdue. The Material and Service Charges are a large part of the school’s annual budget income and we rely on the payment of these charges. Please consider your overdue accounts and pay them at your earliest convenience. Statements will be issued again over the next week.

I would like to remind our families who have taken the option of paying their accounts by instalments that the third and final payment is due on Wednesday, June 24th.

We take cash, cheque or credit card over the counter at school or your credit card details over the phone. You can also visit www.ahs.sa.edu.au to access our on-line payment service (Bizgate). Click on ‘pay your invoice now’ and follow the directions given.

Heather Brown
School Finance Officer

MATHS @ THE HUB

TIMES TABLES

Skip counting and times tables – they are the same thing but have slightly different names and focus. Skip counting is counting groups for fast addition – 2, 4, 6, 8 and so on. Students from Reception onwards are learning how to skip count. Skip counting is a great place to start for children to understand grouping and counting in groups as they lead into times tables, it’s all multiplicative thinking.

Times tables are slightly different as they require the amount of groups to be said, e.g. 1 x 2 = 2, 2 x 2 = 4, 3 x 2 = 6, 4 x 2 = 8 and so on. Times tables are one of those number strategies that you just have to learn, but who said it can’t be fun? There are a lot of great apps out there that will assist students in learning their times tables and making connections with a bit of enjoyment.

10 minutes a day – times table app:

This app is great as it provides a series of maths challenges based on times tables from 1 to 12. There are 3 different types of challenges: complete the times tables in order, complete in a random order and fill in the missing number in the times table sentence. This app is set up well as the 3 different stages continue to step up the challenge. Practising maths at home supports and extends learning from the classroom.

PEDAL PRIX NEWS

Well Done Hubcaps!
Our new Year 6 Hubcap riders joined up with the Year 7s and High School students and travelled to Loxton a few weeks ago to test out their riding skills for the first time. They did us proud!

Against all the odds: 9 of the 12 Primary School riders were novices (had only practised riding in the bikes on 3 occasions); only 6 riders per bike instead of 10 or 12 that other schools had; a gruelling street circuit with big hills and the nerves that go with doing something for the first time. They conquered it all. The Police clocked one of the bikes, on the radar, travelling at 34kmp/h. Everyone worked hard all day and earned a very, very well-deserved 4th and 7th place and had lots of fun in doing it.

The High School team, riding with 7 (after Natalie K volunteered to help out for the race), also rode extremely well and worked hard for a well-deserved 7th place.

The team captains Jayden D, Sammi A, Emma A and Aji K were all pleased, but believe that they can do better next time. They are already back in training getting ready for the next race, at Victoria Park (the Clipsal Racetrack) on Sunday, June 14th. I hope that any students in the area in June will come and visit the race to cheer on our bikes.

Our riders are committed and strong enough to race in the three 6hr races with only 6 riders, but will not be allowed to ride in the Murray Bridge 24hr race with only 6 riders. So, unless we can recruit more students in the coming weeks, the Pedal PRIX Committee will be forced to withdraw one of the bikes from the big race. So please, we need more Year 6s and 7s to join the team and help us keep two bikes running with full teams. If we can get 4th place with six riders, imagine what we could do with eight or ten riders. In return I promise you will have lots of fun at Victoria Park and an absolutely awesome time at Murray Bridge.

Andrew Aves
Pedal PRIX Coordinator

SPORTS RESULTS

SOCCER: 23/5/2015
Under 10s (White) - Coached by Clinton Duncan
