STUDENT RECOGNITION AWARDS

FROM THE PRINCIPAL

Dear Parents/Caregivers,

THE ARTS CURRICULUM

The Arts is in full swing here at the Hub. The Arts includes 5 different subject areas: Dance, Drama, Music, Visual and Media Arts. Each subject area is being taught in our classrooms and the students are thoroughly enjoying it.

You may see some of their learning in our Assemblies! To celebrate the annual Come Out Children’s Festival, all classes participated in a ‘Gallery Walk’, just like visiting a real Art Gallery. All classes took part in a tour of the classrooms and were able to see the great work that is being produced by our budding artists here at the Hub.

Several of the Upper Primary students are meeting with Mrs Reid at lunch times for Art classes. They are learning different techniques and really enjoying trying new things and producing some great pieces of Art. Drop by the Art Room and look at their Gallery.

MATHS @ THE HUB

Splash Maths Free (Free app)
As you know Maths covers such a wide range of topics. There is a great series of apps, called Splash Maths, that tackle a range of areas in maths. Splash Maths has a range of age-related levels from Year 1 to Year 5.
Splash Maths covers the following mathematics areas – addition, subtraction, place value, time, measurement, rainbow facts, data and graphing. There are a huge range of games available to children which enable them to practise and learn some maths skills and gain an understanding in a fun and interactive way. The great thing about Splash Maths is that there is a section where parents/caregivers can track their child’s progress.

These apps are free, but if you love them there are upgraded apps which come at a cost.

SRC NEWS

As you know, we are supporting the RSPCA for the year. We will be having a Blanket Drive this term in Week 10. How this works: clear out your cupboards at home for any blankets, sheets, or towels you no longer need. You can also bring in any unneeded pet-related items (dog bed, cat bed, animal toys, etc.). There will be boxes in each unit to put the items in.

All donations will be delivered to the RSPCA’s Lonsdale Shelter at the end of Week 10.

Thanks in advance,

OSHC NEWS

Our Mexican Fiesta Day, on the Pupil Free Day, was a great success. The children who attended enjoyed a day featuring Mexican food, dancing and Pinatas. The Vacation Care Period for July is only 2 weeks away! The Programme is out now and features activities and excursions such as: Inflatable World, Movies, Roller Skating, Master Chef, Science Day, Basketball Clinic (with ex-Adelaide 36er player Dwayne Nelson) and much more! No minimum enrolment days required and Child Care Rebates apply if eligible.

For more information, please contact OSHC on 8270 5055 or visit the service.

OUT OF SCHOOL SPORT

DONATION OF SOCCER TOPS
Special thanks to Kappo for their recent generous donation of soccer tops. The players will now be looking even more impressive.

SPORTS CANTEEN
Your support is important. Families are reminded of the commitment they all signed to at the beginning of the year (when registering their child’s sport) to volunteer in the Canteen. Please fulfil your responsibilities by volunteering in our canteen on Saturday mornings.

PEDAL PRIX NEWS

Pedal Prix just keeps getting better!
Sunday, June 14th saw our school and APHS compete in Round 2 of the Pedal Prix races. With a flat, fast track (where the Cat 4 bikes were clocked at over 60kmph), double the amount of entries and the infamous ‘Crash Corner’ to deal with, we thought the kids would find it much tougher than Loxton. Then, as the race got closer, the news that our already small group of riders were going to be thrown more challenges. With only 6 riders in ‘Flying Hubcaps’ and 7 riders in ‘Cruising Hubcaps’, one from each bike had to leave early and three had the flu. None of them wanted to withdraw, no-one complained and no-one gave up.

In the end, after having to start the race with nearly 200 other bikes, Flying Hubcaps finished the day in 5th spot in its category (actually beating 8 of the Cat 4 adult team bikes). Cruising Hubcaps finished 18th after fatigue saw them drop from 11th in the later part of the day. The High School bike struggled after losing a rider before the race and another half way through, but they still finished a very credible 17th, down from 10th at the half way mark. Apart from the fantastic performance from all the riders, there was however one standout effort from Ajit K. The Team Manager of Flying Hubcaps had to direct him to return to the pits after a mammoth effort of 20 consecutive laps of very good times (that’s 20 laps at an average of about 2.45 minutes a lap). His comment after returning to the pits, “I could have kept going!”

Congratulations to all the Primary School riders.

255 - FLYING HUBCAPS:
Jayden D, Sammi A, Ajit K, Keely W, Calvin K, Ain M

256 - CRUISING HUBCAPS:
Riley W, Emma A, Sam J, Jessica B, Kane F, Thomas B, Christian B

Next Race, at Victoria Park again, is on Sunday, July 26th. Come down and support us.

GO HUBCAPS!!

COMMUNITY NEWS

South Australian Association of School Parents Clubs

2015 Annual Parent Conference and AGM
Monday 17th and Tuesday 18th August, 2015
Monday: 7:00pm - 9:00pm
Tuesday: 9:30am - 4:00pm

Well known clinical psychologist Andrew Fuller will be running workshops at the conference. Andrew has worked with many schools and communities in Australia and internationally, specialising in the wellbeing of young people and their families. He has recently been described as an ‘interesting mixture of Billy Connolly, Tim Winton and Frasier Crane’ and as someone who puts the heart back into psychology.

The Conference provides an opportunity to hear stimulating speakers, to meet other parents and also to ask questions of the Minister. All parents are welcome.

Please note: As the Hub is not a SAASPC affiliated school, the cost (including Morning Tea and Lunch) is:
Monday evening sessions $27.50
Tuesday day session $44.00
Both Monday and Tuesday $55.00

Please visit www.saaspc.org.au for a copy of the 2015 Conference flyer and registration document.

Telephone: 1800 724 640 for further information.
Registration for the Conference starts during Term 2.
