STUDENT REPORTS

Class teachers have spent the last three weeks writing reports for this semester. Sarah Magnusson and I are now reading them. During Week 10 of this term they will be given to your child to take home. The grades and comments reflect the effort your child has applied this semester and should give you an indication as to what else both you as the parent/caregiver and the class teacher need to do to continue supporting your child's learning journey. Success comes when we all work together and provide every opportunity for them to engage, give things a go and develop a positive Growth Mind Set.

Enrolments for 2020

As we near the end of Term 2, at Aberfoyle Hub we are beginning discussions around what the new school year could possibly look like. During Term 3, we begin to look at student numbers for the new school year. It is important that we have new, interested families come and visit our school.

One way you can help as members of the Aberfoyle Hub family, is to mention to anyone you know who may be looking to enrol their child for next year, to come and consider us. The quicker we can finalise numbers for the new school year, the sooner we can begin to plan for the new year.

In our next newsletter I will be sharing updated procedures around enrolments for Primary Schools.

New School Web Page

I am pleased to inform you that, as of week one of the upcoming school holidays, we will have online the school's new web page. The process has taken a little longer than what we would have liked, however it is quite important that we do get this right. The aim has been not to just modernise our web page, but to also allow the viewer to have an interactive experience that provides potential families with information about what Aberfoyle Hub R-7 School has to offer for their children. We are hopeful that the experience will be positive for all who visit the school's new web page.

Vision Statement

During our internal reviews and while developing our new Strategic Directions, we have identified that Aberfoyle Hub R-7 School has not developed a formal vision statement of what our school stands for.

A vision statement is sometimes called a picture of our school in the future but it's so much more than that. A vision statement represents our inspiration, the framework for all of our strategic planning centred on learning outcomes. It describes what we are trying to build and serves as a touchstone for your future actions.

We will soon begin to develop our school's vision statement which will be added in future to our school's web page.

SPORT News

Sports Canteen

This will be open again this Saturday morning for our soccer. Soccer families will receive a roster with the expectation that they will commit to one half hour shift working in the canteen during the remaining three home games this season. We appreciate your support in committing to this. A reminder that it is not the responsibility of the Coordinator or Coach to fulfil this role.

Winter Sports Presentation

Basketball and Soccer presentations will be held on Saturday, September 7th at 9am. More details to follow.

Sports Coordinators Needed for 2020: Soccer/Netball/ Basketball/Cricket

Families with children who play in the abovementioned teams please consider volunteering as Coordinators in 2020. Mentoring is definitely an option throughout the 2019 season. Contact our 2019 Coordinators for information:

- Cricket: lan Jeffries (Mobile: 0412 187 502)
- Basketball: Sue Ann Woodwiss (Mobile: 0412 846 196)
- Soccer: Contact Sarah Magnusson through the Front Office
- Netball: Contact Sarah Magnusson through the Front Office

Mentoring is definitely an option throughout the 2019 season.

The school also waives membership fees for the children of those parents/caregivers who volunteer to coordinate/coach.

Remember: No Coordinator/Coach = No Team.

FAREWELL Social Work Intern

Next week we say goodbye to Social Work Intern, Juan Juan Cui. We have enjoyed having her as part of our learning community and know that she will be missed by staff and many of our students with whom she has formed a strong rapport. We hope that the skills gained since beginning her time here will contribute to successful future endeavours and we wish her all the best for the remainder of her studies.

OSHC News Acting Director

Welcome to Amber-Marie Spencer who has won the position of Director whilst Nicola Kuhn is on maternity leave. We look forward to Amber-Marie settling in to the position and getting to know the students, families and staff at Hub OSHC.
