WELCOME BACK

Welcome back to all families and a special welcome to all new families to our school community. I hope the summer break was restful, enjoyable and a time to catch up on things. A warm welcome to all new students who are joining us this year. I am looking forward to seeing their successful learning journeys.

Staff Car Park/Kiss and Drop

In order to ensure that we are protecting our children during morning drop off and afternoon pick-up, Aberfoyle Hub R-7 school has a policy that staff car parks are not to be used. Unless community members have a Disability permit or a medical condition that has been negotiated with the school, or a scheduled meeting, I ask that all community members please refrain from driving onto school grounds. By doing so it will alleviate any possibility of any child being hit by a car.

Outside, in front of the school, we have a designated **'Kiss and Drop' zone**. Please refrain from parking there as the area tends to become a bottle-neck of cars, at times double parked, increasing the risks to children trying to walk amongst cars. Please adhere to the correct road rules.

Correct Time for Drop Off

Just a quick reminder that students are not permitted to be on school grounds before 8:30am as we do not have staff on duty to cover any duty of care. If you have any queries, do not hesitate to ring the school.

Acquaintance Night/AGM

I am looking forward to seeing everyone at our Acquaintance Night when you will have an opportunity to meet your child's teacher.

Staff will be sharing what their program will be for the term/year. Other important business on the night includes our Governing Council AGM. If you wish to contribute to our wonderful school, please consider joining this very important group. Schools continue to build on great successes by having an active and strong Governing Council. (See our flyers around the school.)

SCHOOL HOURS 2020

As recently notified via Skoolbag, changes to lesson times came into effect at the start of this term (as outlined below).

Please note: Start and finish times for each school day remain unchanged.

A Typical School Day

8:50am School Starts

It is important that children are here for the organisational part of the school day e.g. lunch orders, money collection and attendances. (Late arrival is recorded in roll class folders.)

Lesson 1: 8:50am - 9:40am
Lesson 2: 9:40am - 10:30am
Lesson 3: 10:30am - 11:20am

Play is the Way: → 11:30am M/W
Wellbeing: → 11:30am Tu/Th/F
Eat Lunch: 11:30am - 11:40am
Children eat lunch, supervised by teachers.

Lunch Play: 11:40am - 12:10pm
Children are supervised in the yard.

Lesson 4: 12:10pm - 1:00pm
Lesson 5: 1:00pm - 1:50pm

Afternoon Recess Play: 1:50pm - 2:20pm
Children are supervised in the yard.

Lesson 6: 2:20pm - 3:10pm

3:10 pm School Finishes

Staff are on duty at the front and back gates and in the courtyard from 8:30am each morning. The school will not accept responsibility for children on school premises before that time. School starts at **8:50am**. Up to 4 teachers are on duty, at any one time during recess and lunch time.

Parents/Caregivers are requested to wait outside buildings when picking up their children at **3:10pm**. This eases congestion and encourages children to collect their belongings/pack their own bags, thus becoming more independent. Children should not remain at school beyond 3:10pm, unless for the purpose of supervised sports practice. Emergency care in our Out of School Hours Care Service is available for students registered with OSHC.

COMMUNICATION At Short Notice/Urgent

As education is a partnership between families, teachers and children, communication between parents/caregivers and teachers is of the utmost importance. Any parents/caregivers requiring an immediate/urgent response to communication (directed to class teachers during the school day), should contact Front Office rather than use Class Dojo. Due to teaching commitments/duty of care obligations, teachers are not always able to immediately view/reply to communication via Dojo.

IT News

Skoolbag App

Our school has its own **Skoolbag** iPhone and Android App to facilitate communication with our school community. To install our Skoolbag App, search for our school name (Aberfoyle Hub R-7 School) in either the Apple App Store or Google Play Store. For Windows users, search for Skoolbag in the Windows Store and install the app then find our school.

App users will be prompted to register with a username + password, enabling them to save their Group Subscription settings across devices. Users will be sent an email address to verify their account, however they will not be prevented from logging into the app. Once users login, they'll be able to personalize their group and notification preferences. All recent, unseen notifications can be found by clicking the bell icon in the app's top right corner.

Notices sent to the whole school via Content Categories will still appear in the 'Home' section. However, information published to Content Groups will appear in the Groups Tab.

Users can modify their Group Subscriptions at any time. To receive newsletters or notices or to report student absences use this link:

<https://skoolbag.com.au/webplugin/?schoolid=2415>

NEWSLETTERS

Class

Families will receive a **class** newsletter a minimum of once a term.

School

Our **school** newsletter is produced fortnightly in even weeks usually on **Thursdays**. School newsletters are accessible via the Skoolbag app and the school website.

SCHOOL BANKING

Commonwealth Bank

This year's CBA School Banking theme is 'Treetop Savers'. While students earn rewards, the emphasis is on developing regular savings habits. Whether students deposit 20c, \$2 or \$20 a week, it earns commission for the school which contributes to Fundraising Committee projects. In 2019 school banking raised over \$500.

A '2020 School Banking Program' flyer will be sent home in the coming weeks with information for interested families.

VOLUNTEERS

Online Screening Applications

Everyone working or volunteering with children must have a valid child-related screening clearance. The **Working With Children Check (WWCC)** introduced on July 1st 2019 replaces all other types of child-related screening checks. However, all current, valid DHS/DCSI child-related employment screening clearances will be recognised as WWCCs under the law, **UNTIL THEY EXPIRE** (3 years from their issue date). **Once expired, a new Working With Children Check will be required** (you can apply for a new Working With Children Check up to 6 months before your current screening expires).

Key points:

- Although individuals can apply for their own WWCC, **it remains the policy of Aberfoyle Hub R-7 School that volunteers wishing to start an application need to do so through our school.** Contact our Front Office staff to initiate an online screening application if you would like to volunteer at our site (and do **not** already have a current DHS clearance). To start your application you'll need to provide us with your full name, date of birth and a current email address and indicate where/how you'll volunteer in our school. This information will pre-populate your application form. You will then NOT be able to change this information without consulting with the school. **(Please keep the tear-off section at the bottom of the starter form for reference.)**

When the school has successfully initiated an application on your behalf, you will receive the first of 2 emails from the DHS Screening Unit advising that an application has been initiated on your behalf. Click on 'Activate My Account' in your email. You'll then receive a second DHS email with your personal account login details, username/password and further information so that you can proceed with your application.

- A WWCC is valid for **5 years** and portable across organisations and roles in South Australia.
- The WWCC applies to those **aged 14 and over** (if the applicant is under 18, then once they have completed their application online, the 'Print and Seek' option must be selected and a parent/guardian must also sign the **printed** application which, once the 100 point ID check has been done, will then be mailed or scanned/emailed to DHS).

If you need assistance with the online screening application process, contact the helpful **DHS staff (phone 1300 321 592)**.

Online applications should be completed in a timely fashion. While you are waiting for the DHS screening unit to complete your check and tell you the result, **you are not legally allowed to work or volunteer with children.** (RAN training and a volunteer pack, available at Front Office, must also be completed before you can start volunteering at our site.) Once received, your screening clearance/email should be treated as an important 'document' like a birth certificate/passport and **stored safely**, as the school does not issue replacements/copies of lost or misplaced clearances. The onus is on you as a volunteer to take steps to start a new application **prior to** any existing (DHS) clearance expiring.

If you wish to volunteer at our school and already have a valid/current DHS clearance which has been done through another organisation (e.g. your work place), then this screening clearance/email, must first be sighted by our Front Office staff.

Tas Ktenidis Principal

Please note: People attending a **single** event or activity at school, such as a concert, fundraising event or sports day do not need to be screened.

RAN Training

Screening is just one measure used to help keep children safe. The Department for Education requires all those working or volunteering with children to be responsible for child safety, including knowing how to report/recognise inappropriate behaviour. All of our volunteers must do RAN (Responding to Abuse and Neglect) training. **On-site RAN training sessions** will be held in our Resource Centre on:

- Tuesday, February 18th 7-9pm (Week 4)
 - Second session date to be notified later.
- If you'd like to attend the 18/2/20 session, please book via Front Office **by Friday, February 14th**.

Alternatively, if you are unable to attend a session at school, online training is available on the Department for Education Plink Website www.plink.sa.edu.au Non Department sign-up. Once online training is completed, a certificate can be printed and brought into Front Office **for leadership to sign**. Contact Front Office for further information. Please ensure that you complete a training session to avoid the disappointment of not being able to volunteer at the Hub. We greatly value our volunteers and want to ensure each of you can contribute to our school community.

ACQUAINTANCE NIGHT: Followed by AGM

Our school's Acquaintance Night is next **Wednesday, February 12th**. Flyers have been sent out via Skoolbag and are also displayed around the school. A BBQ will be available between 5:30pm and 6:30pm and the Canteen will be providing coffee/tea and cake. Come along, meet the staff, chat to your child's teacher, tour the school with your child and enjoy tea with the family at the same time.

Prior booking is essential for Principal Tours at 6:10pm or 6:45pm. Phone 8270 5055 to register your interest.

SCHOOL FEES: 2020

Materials and Service Charge

Tax Invoices for the 2020 Materials and Services Charge will be distributed to families (via class teachers) next week. The invoice package includes an invoice and an information letter. An agreement form for payment by instalments can be arranged and is available from the Front Office. Please contact us if you do **not** receive the package from your child or if you would like to speak to us regarding payment plans/difficulties.

*There will not be an **Excursion Levy** in 2020. Parents will pay per excursion attended.

School Card: Online Facility

School card applications for 2020 can be submitted online using the link below or paper copies are available from Front Office. School Card information is available at: <http://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme> .

Please note:

- A new school card application must be submitted every year.
- Income 'eligibility' limits for school card approval will be provided on the information letter with the 2020 invoice or obtained from the above link.

HEALTH News

Medication

It is a Department for Education requirement that all student medical conditions be documented using the relevant medical forms/care plans. (If these are not signed by the child's doctor and parent/caregiver, this does not meet legal requirements.) If your child needs medication during school time, we will supervise them taking their medication. Medication will not be given without a signed consent form (available from Front Office) having been returned with the medication in its original, chemist-labelled container (including the child's name and dosage required). It may also be necessary for a Care Plan to be completed by the child's doctor. Front Office staff will ensure that medication is stored safely. Medication must **NOT** be kept in classrooms/school bags.

Counselling Service - Latest News

We are pleased to inform you that In-School Psychology will resume the provision of the services of a qualified psychologist to meet the needs of our school community. We will advise you of the days/times that the psychologist will attend our school in a later newsletter. Counselling is an effective way of helping children and adolescents who are struggling with some aspects of their lives, from feeling anxious or depressed, to experiencing bullying or having difficulties controlling anger. It can help them to recover and also help prevent re-occurrence. To access this *free* counselling service you'll need to:

- Complete the GP information form provided to you by us.
- Take the letter along with your child to your local GP to obtain a Mental Health Care Plan referral from them.
- Complete the In-School Psychology consent form and return it to school with the GP referral.

We'll then contact you as to when the psychologist will start working with your child. For tips about what you can do while waiting for your appointment click on this link: <https://inschoolpsychology.com/about-us/what-can-you-do-while-you-wait-for-your-initial-appointment/> . For further information please contact the school.

Canteen News

Canteen Volunteers

Welcome back to our wonderful canteen volunteers. We greatly appreciate your help. We are always looking for new volunteers, so if you can spare some time, please let the canteen staff know.

Please note:

You require a current DHS screening clearance and RAN volunteer training.

Canteen Price List

The 2020 price list has been distributed to families (via classrooms). If you have not received one, call into the canteen to collect a copy.

QkR App

During Term 4, 2019 the canteen introduced the **QkR** app so parent/caregivers could order their children's lunch via their smart phone.

Important reminder: Those families who used QkR **must update the room number your child is in**. The App does not transition your child's new room. By you making this change, this will alleviate any confusion for your child or their lunch heading to the wrong room. (See below for information about how to use QkR.)

Trish Brewer/Andrea Thain
Canteen Managers

School Canteen App

The canteen has a QkR app which will allow you as a parent/caregiver to use your smart phone to pay for your child's lunch order. It is quite easy to use once you have set your account and linked it to a credit card. Benefits are:

- Make faster, more convenient payments from a secure mobile app anywhere and at any time.
- Website payment alternative for parents and carers without a smartphone or tablet.
- Copy lunch orders from one week to the next to save time.
- Pay direct from a credit or debit card without pre-loading funds to a third party account.
- Track transactions easily with online receipts.

Instrumental Music Lesson Tuition 2020

Aberfoyle Hub R-7 School gives Year 3-7 students an opportunity to learn a musical instrument, taught on a weekly basis during class time, either through Instrumental Music (IMS) or private providers.

Our team of private providers for Keyboard, Guitar and Drums charge an excellent rate and **payments are made directly to them**. Parents/Caregivers will need to arrange instrument hire and purchase of music, with advice from the music tutor. The school does not arrange or take responsibility for private hiring for independent providers.

Forms will be forwarded to the appropriate tutor, who will liaise directly with students, usually during Weeks 2 and 3 of Term 1.

New student enrolment forms need to be returned by **February 13th** to the Front Office. Additional Music Tuition forms are available at the Front Office.

Continuing students will be advised of lesson times and the location where instruction will take place by their tutor.

Lessons for violin, viola and cello with an IMS teacher are free of charge. All lessons require an instrument at home to practise on. Instruments are available for hire for \$180 (no GST included), cellos \$200 (no GST included) for the year, on a first come first paid basis. This includes most servicing and repairs. Once Chris Godden our Finance Officer has been given a receipt, Debbie Templeton in the Resource Centre will then be able to issue a string instrument. Should a student wish to discontinue lessons in the first four weeks \$160 will be refunded.

EXPECTATIONS AND RESPONSIBILITIES

- It is an expectation that when taking up an instrument, students will continue lessons for at least one year, to judge progress and enjoyment.
- Participation will not cease without prior consultation with the instrumental music teacher and the school.
- Students are expected to practise at home 3-6 times a week (15-30 mins each) and keep a record in their music diary. Students are expected to perform an item at our end-of-year MUSIC SHOWCASE in November. Dates will be advised at the beginning of Term 4.

Should you wish to contact any of the private providers regarding options for instrumental lessons, they are happy to answer your queries.
