Reports

During week 10 all students will receive their semester one reports. Your child's reports will give you an indication as to how they have settled in to semester one, the successes they have experienced and suggestions of what they can do to further improve on what they have achieved thus far. Please do not hesitate to contact your child's teacher if you have any queries about their report. As per our school policy, you are also able to request early in term three a parent/ teacher interview if you feel you need this for further clarity or to discuss your child's learning goals.

Lost Property

This year we have placed our lost property bin in front of the Multi Purpose room. As the year has progressed, the amount of lost property has steadily increased. It has now grown to the point that we have two bins and three boxes full of school clothing. The boxes have now been organised to sizes. Please make the time to come and search for any clothing that may be your child's. For those not marked with any names, if you are in need of school uniform please feel free to collect, wash and use them. Any clothing that is not collected, we will explore any options available to donate them.

Adults on grounds when collecting children

Just a quick reminder at times Parents/ Caregivers will come in to collect children for various reasons. A quick reminder when you do come in please do not walk around the school grounds looking for

your child. We ask that you head to the Front Office, let the office know and we will contact your child's teacher to send him/ her up. If you have any queries please do not hesitate to ring the school and seek further clarification.

What are WALT and WILF? (Learning goals)

Students at the Aberfoyle Hub have been learning what a WALT is and what is a WILF. **WALT** is (We Are Learning To) and **WILF** (What I'm Looking For). These two acronyms were developed as a guide to help teachers identify learning goals and related success criteria at the beginning of each and every lesson. More often than not, teachers do this regardless, but using a visual reminder of your chosen acronyms in the classroom helps both teacher and students make this part of the lesson structure.

WALT (also referred to as 'learning intention') is all about outlining the objectives of the lesson. What will students be learning about? What's the learning goal or aim of the lesson?

For example, a writing lesson goal maybe - use descriptive language to write imaginative texts. WILF (sometimes called 'success criteria') is all about the ingredients the student needs to do, include or focus on in order to fulfil the learning outcome (WALT).

For example, the success criteria for the above writing goal may be - evidence of adjectives, metaphors and extensive vocabulary in their writing.

student absences

Did you know you can advise the school of a student absence via our SMS number 0428 910 895 just include your child's first and last name, room number and reason for absence (F – family, I – illness).

From the Principal continued...

Next time you are visiting your child's class you may see general subject areas of what a WALT is and what a WILF is.

Wishing all families a wonderful, restful and safe upcoming break. Looking forward to seeing everyone back for term three.

Regards
Tas Ktenidis

Sports Coordinators Needed for 2022: Soccer/Netball/Basketball/Cricket

Families with children who play in the abovementioned teams – please consider volunteering as Coordinators in 2022. Contact our 2021 Coordinators for information:

- Cricket: Ian Jeffries (Mobile: 0412 187 502)
- Basketball: Sue Ann Woodwiss (Mobile: 0412 846 196)
- Soccer: Contact Sarah Magnusson through the Front Office
- Netball: Contact Kate Georg (Mobile: 0451 797 404) through the Front Office

Mentoring is definitely an option throughout the 2021 season.

The school also waives membership fees for the children of those parents/caregivers who volunteer to coordinate/coach.

Remember: No Coordinator/Coach = No Team.

Farewell

Social Work Intern

Next week we say goodbye to Social Work Intern, Hasi. We have enjoyed having her as part of our learning community. We hope that the skills gained since beginning her time here will contribute to successful future endeavours and we wish her all the best for the remainder of her studies.

Reconciliation Week 2021

Aberfoyle Hub R-7 School

by Cherinah Adderton

This year to help celebrate National Reconciliation Week at Aberfoyle Hub R-7 School students participated in a variety of activities. The senior students made Jonny Cakes (a different way to cook damper) and topped them with bush tucker inspired jams such as green ant, quandong, Kakadu plum and bush apple.

It was pleasing to see children being brave and trying something new, as the green ant jam was the one that was tasted the most.

The middle years students engaged in learning about bush tucker (native food plants) and planted them in dedicated parts of the school yard.

The early years children were involved in Yoga Dreaming where Kathryn Bullock, an Aboriginal woman came to do a session of Aboriginal Inspired Yoga - called Wayapa. The children were taught movements that were linked to 11 different elements of the earth. It was very calming while learning culture and moving our bodies.

All activities helped us engage with Aboriginal culture to show respect and acknowledge the First Nations People of Australia.

We all spoke about how and why we should keep moving forward together.

PUPIL FREE DAY

was a great success with lots of pyjamas, onesies and oodies worn by the children and staff. Movies, fort making, popcorn with hot chocolate and hall activities were the favourite activities for the day.

Thank you to all of our families for the continual support of our OSHC, we are very appreciative of the numerous donations of games, condiments, snacks, paper towel, can recycling and craft needs.

PLEASE NOTE: Over the next 2 weeks we will be introducing our Qik Kids Kiosk - sign in/out by Ipad. We will have an extra staff member available on most occasions to help with this. The new system will require the family member the account is in to register their phone number and create a pin that must be used when signing your child in and out. Other family members who's number is also registered with OSHC must also make their own pin to sign in and out with too.

Please have patience as we introduce this new system to all Educators and families. Please don't hesitate to contact OSHC with any queries, by calling in to talk to our staff, by phone: 8370 4500 or on our Mobile: 0401 121 644.
