Enrolments for 2022

Planning for 2022 has now begun as we look at the number of classes, staff and the advent of Year 7 students transitioning to a High school setting. Towards the end of this term we will be communicating with you about Parent/Caregiver requests for your child's friendship circles in class. Other information regarding transition for Receptions and for all of our current Year 6 and 7 students will be occurring.

If you are aware of any families that are looking to enrol their child in a new school for next year, please inform them to book a time to come and see us for a school tour so they can learn more about our school.

COVID Information

The current challenging times that we are living in, does place everyone on alert with the endless supply of COVID information that is being released by various media platforms, which includes apps and internet platforms. At times, it may be challenging trying to sort out what is the correct information to follow.

A good reminder is, if you are not sure, always revert to SA Health, SA government announcements and what the Department for Education releases. We report to you via what the Department for Education advises us.

As soon as we have, any alerts/updates we quickly then communicate this with you.

If you are not sure of anything you have heard or read, please do not hesitate to contact us to seek clarification.

Growth Mind Set

'Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it.'

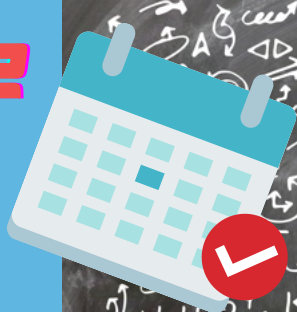

Michael Jordan former NBA Basketballer

Our learning journey is built around obstacles, query, confusion, frustration at times and finding solutions to the problem. Michael Jordan's quote puts it best, when we run into a wall, we can be resilient and find a way to work through it.

When we learn something, it involves us confronting the struggle of grasping what it means, how we solve and then do. When your child/ren are struggling with something new to learn, always encourage them, allow them to struggle through the problem before you help them.

PARENT ENGAGEMENT SURVEY NOW OPEN

Our parent survey is a great opportunity to get valuable insights into parent engagement of your students' learning.

On Monday 2nd August parents/carers were invited to participate in the parent engagement survey via email or sms. We encourage participation from all of our families, using the parent's personalised links, for the survey through your social media accounts and communication apps. The survey closes Sunday 29 August.

Parents can find more information at www.education.sa.gov.au/parentsurvey

SSO WEEK 2021

16-20 August 2021 is School Support Staff Recognition Week, or SSO Week. Every year we recognise the fantastic work that all SSO's do in our schools. School Services Officers are an integral and essential part of our state public education system. We rely on the work and commitment of our school support staff every day. SSO week provides us the opportunity to acknowledge and celebrate their important contribution to our school community. We have many SSO's at the Hub supporting student learning. Please take the opportunity to say thank you to our fantastic hard working SSO's when you see them next.

SCHOOL SPORT NETBALL

Last week the team were able to not only resume practice but also finally play a game after a long break. Although not a win against Happy Valley, they all played very well.

Coach: Beth Gleeson

BASKETBALL

Training and games have resumed this week. First game back was Monday night. It was a 20-9 win for the 6/7 team Hub Hawks Blue. First half was a little rusty though. 2nd half saw us playing like a team again. The other 5/6/7 team Hub Hawks White had a loss against a very strong team.

We had our first training session after the break last Thursday. The 3/4 team Hub Hawks plays their first game back after not being able to train yet.

Coordinator: Sue Ann Woodwiss

The children enjoyed 2 weeks of having video games available in the hall.

We had great numbers of children for both Harry Potter Day and Hub Chef Day.

The children enjoyed an excursion to the Semaphore Movie Theatre to see Space Jam 2 with luckily; great, winter playground weather.

We also ventured out to WizBang (St Agnes) on a bus trip with Craighburn who are another OSHC in our community.
