NAPLAN

Students will soon come home with their NAPLAN results. This is a great time to look at their achievements. Our current year 5 and year 7 students who sat for NAPLAN in 2019, you will be able to measure and see what growth they have achieved. For our year 3 cohort, this data will assist us greatly in our planning for Numeracy and Literacy learning outcomes.

Preliminary results indicate that our students have maintained achievement levels to 2019 and in some circumstance have shown slight growth. As a State overall NAPLAN results have provided a positive snap shot in our learning journey. The message from our Chief Executive highlighted some real positive gains.

Notably we have achieved:

- SA's highest ever mean scores in:
 - Reading Year 3 and 5
 - Spelling Year 3 and 5
 - Numeracy Year 5

- SA's highest ever percentage of students scoring in the highest test band in:
 - Reading Year 3 and 5
 - Numeracy Year 5 and 7
 - Spelling Year 3 and 5

- SA's year 9 writing mean scores are higher than the Australian mean scores

We will continue to supporting our students learning and we look forward to seeing further evidence in our children's learning growth from Reading lexiles, Running Records, PAT data and Phonics results.

School Uniforms

Our school, like all surrounding schools has a School Uniform policy. The expectation is that when students come to school, they are required to wear school uniform with the correct school colours. Aberfoyle Hub Primary school colours are: navy blue, pale blue and white.

Black is **not** part of our school uniform and we would like to remind families to please make sure children are not sent to school in the wrong colours. We understand at times, there may be special reasons for your child not to be able to attend school in correct colours. Under such circumstance, please communicate this with your child's teacher.

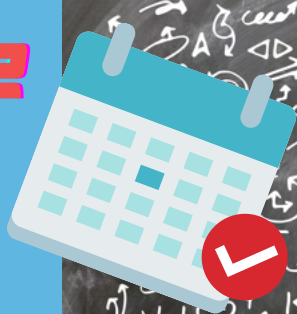

Growth Mind Set

"Success is not final, failure is not fatal: it is the courage to continue that counts."

- [Winston Churchill](#)

I find Winston Churchill's quote as an inspiration to the current times we are in. COVID is an ongoing challenge that we all face and desperately try so hard to avoid. As a State, we are all contributing in our own little way to keep each and everyone of us safe. QR check in, face masks, washing of hands,

From the Principal continued...

social distancing, abiding by SA Health and government guide lines. All of the mentioned measures are designed to keep us all healthy, safe and try to enjoy the freedoms that we do have. Each positive actions we take, contributes to us being at school, not self isolating and being apart as a school community.

Even though the context of when Winston Churchill shared this to his people, the 'courage to continue', resonates now as it did during his time as Prime Minister of Great Britain.

From the desk of the Deputy Principal by Sarah Magnusson

Term 3 BULLY AUDIT:

A reminder that next week we will be conducting our second Bullying Audit with all Reception to Year 7 classes. We are committed to creating a supportive environment free from bullying, harassment and violence. Data collected from these audits will help inform and improve our practice to keep the Hub a safe place for everyone.

Around the Courts

SPORTS NEWS

Interested in being a Coordinator or becoming a coach? **We need you!**

School sports is an important part of your child's development.

Please note that it is critical that we have coaches for each sport **BEFORE** players can be allocated to a team. The Hub offers a wide variety of Out of Hours School Sports but we need volunteers to keep them going.

2022 Coaches Required

Coaches are required next year for Netball, Soccer and Cricket. A Sports Canteen Coordinator is also required. Please contact Sarah Magnusson, Deputy Principal, or indicate on your child's sports membership form if you can help.

HOLA AMIGOS THE SPANISH UPDATE

BY JOAQUIN GINER SPANISH
TEACHER

Hola amigos. This is Señor Giner (Joaquín Giner), the Spanish Teacher. ¿Cómo estás?. Welcome to my first article for the school newsletter.

In book week we were very fortunate to have with us, in Spanish class, local author Hayley Morton. Hayley has written several books for kids including the Captain Plop series and ThinkBeings. ThinkBeings is a book for kids about thoughts and emotions, one of the topics that we have been learning in Spanish this term in Junior Primary. Hayley has also been studying Spanish for about 6 years so she was also practising some Spanish words with our excited students. After reading ThinkBeings, students worked on some activities with vocabulary in Spanish about feelings.

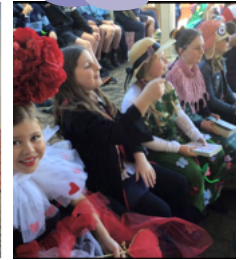

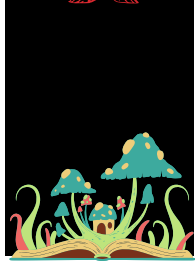

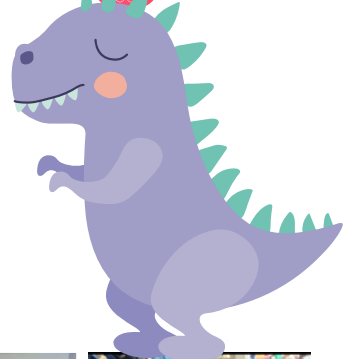

This has been a great experience for our young students and we'd like to say thank you very much Hayley, muchas gracias, for coming to Aberfoyle Hub Primary School and sharing your time with us.

Nos vemos (See you)
