From the Principal

by Tas Ktenidis

Interviews

School interviews are scheduled for week 9 and Monday of week 10. Further information will be shared in the coming week via Skoolbag and Dojo. We will be utilising the same online booking process as we have been in the past.

Generally, interviews are set for 15 minute durations. I would like to remind all families if for any reason you feel you require further information, please request an additional time to meet to discuss any issue, concern or further update. Additional meetings can occur at any time by requesting a time to meet.

Our school policy is quite flexible in that you can request to also meet in term three to discuss your child/ren learning outcomes. For some families this may be useful as it does allow you to meet in both semesters.

Assemblies

Due to COVID measures we have not held any assemblies in order to safe guard all students and staff. Planning for assemblies and how they will run is currently being investigated. Further update on school assemblies will be shared via Skoolbag and Dojo.

COVID-19 Update

Thank you to all families for supporting the school with COVID measures to safe guard the school community. Please be mindful when on grounds if you can wear a mask please do so. This simple measure does assist in reducing any opportunity of COVID being able to spread.

Reminder any information/updates will be released via Skoolbag. Please check in daily for any new release of information. If your child is not well, please keep them home and have them tested. Any positive results should be shared with the school as soon as possible. If you do have any queries, please do not hesitate to contact the school.

Supporting your Child with reading

Part of our reading strategy in supporting children to read, is using the Question-Answer Relationship approach. This strategy supports children in developing their skill set in becoming a good reader.

For example before reading a book, a good reader will:

- Good readers do not dive into the text. They are clear about the purpose
- often skim the text or at least look through it
- activate prior knowledge
- predict what the text will be about

QAR Questions prompts:

On My Own

- What do you already know about ...? (use the title to help with the topic)

Author and Me

- Look at the cover (topic, title, illustrations)... What do you think this story might be about?

In the following newsletter, I will further share QAR approach to reading.

Absences

The Front Office can be notified of any student absences by phoning 8270 5055 or sending a text to 0428 910 895

Intervention Programs at the Hub

QuickSmart

QuickSmart **Numeracy** is a responsive, small-group intervention programme that aim to develop fluent (Quick) and efficient (Smart) strategy use. The programme is aimed at primary year students whose numeracy outcomes are below just minimum standards. QuickSmart is designed to enhance a student's fluency in numeracy or by improving their information retrieval times.

The successful intervention programme withdraws students from their classes in pairs for three x 30 minute lessons a week for a recommended total of 90 lessons or more.

MacqLit

The Macquarie **Literacy** Program is an explicit and systematic reading intervention program for small groups of older low-progress readers. It is a comprehensive sequence of lessons that includes all the key components necessary for effective reading instruction: phonemic awareness, phonics, fluency, vocabulary and comprehension. Eligible students are those who are below minimum standard in reading and who have particular difficulties in the area of word recognition. Participating students attend 4 x 45 minute lessons per week.

Out of School Sports News

Basketball and Cricket

Games for Basketball and Cricket training begin soon for registered students. Coordinators can be contacted re details of games and fixtures, as below:

Cricket Coordinator: Aaron Kilpatrick - Mobile: 0412 187 502.

Basketball Coordinator: Sue Ann Woodwiss - Mobile: 0412 846 196.

Reminder: As per our school sports policy, all fees must be paid and Codes of Conduct forms returned (signed) prior to the start of the first game. Invoices have been sent home for these 2 sports. Prompt payment is required so that games can begin.

Uniforms

Basketball tops will be given out to those students whose families have paid their sport invoices (at a date/time to be announced).

Netball and Soccer:

We are still looking for PLAYERS, COACHES and UMPIRES for this year.

Games don't start until Term 2, so there is still time to join a team. If your child is interested please collect a membership form from the Front Office.

Netball Coordinator: Aaron Kilpatrick Mob: 0412 187 502.
Soccer Coordinator: Scott Fallowfield Mob: 0419 040 264.

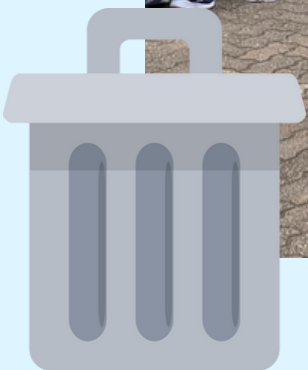

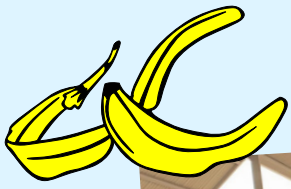

Any queries please contact Sarah Magnusson, Deputy Principal

Southern District Community Engagement Newsletter

Welcome to the Autumn edition of the Southern District Community Engagement Newsletter. This document contains electronic hyperlinks to various sources should you require any further information.

Senior Drivers - The new road safety campaign "[Don't Stop Driving By Accident](#)" is the first of its kind in South Australia, as it targets the over-representation of older drivers in serious injuries and lives lost on the state's roads.

ATTENTION ONLINE SELLERS

There have been reports of robberies following victims listing items for sale on websites and social media sites for buying and selling goods. Items that have been commonly targeted include Apple products, vehicles, jewellery and designer shoes/clothes. If you are selling items online please follow the these safety tips :

- Meet in a public place that is familiar to you during daylight hours and ideally where there is CCTV
- Collect information about the buyer prior to the meeting (name, phone, email)
- Tell someone where you are going and take another person with you
- Ask for identification from the buyer, e.g. drivers licence if they want to test drive a car
- Take note of the persons physical description and clothing and registration number of vehicle
- Be aware of fake internet banking records, check that the funds have cleared in your account
- If paying cash, confirm they have the money with them.

CYBER BULLYING

One in five young people have been bullied online. Some examples of cyberbullying include sharing photos of someone to hurt or humiliate them, sending abusive messages, creating fake accounts in someone else's name to trick or humiliate people and spreading rumours about someone. For more information and support visit the [eSafety](#) website. **Everyone deserves to feel safe online.**

Top tips to assist –

1. Do not respond – often responding will make things worse
2. Screenshot evidence – this can assist in reporting the matter to police
3. Report and block – you can report through the platform that you are using
4. Talk to someone – reach out to friends and family for support along with many online support services

Other resources regarding online safety for young people are available at –

COVID-19 SA DIRECTIONS

The South Australian Directions are all listed here and apply to everyone living in, and entering, South Australia. Recommendations made by the Prime Minister do not apply and are not enforceable in South Australia until the State Coordinator enacts a Direction. [Go to sa.gov.au](#) to read each Direction.
