Healthy Eating

Children and adolescents with appropriate nutrition have improved cognitive development, attention span, work capacity, classroom behaviour, and attendance at school and preschool. Establishing healthy eating patterns at a young age provides a critical foundation for good eating patterns in adult life with health, social and financial benefits to individuals, families and society.

At Aberfoyle Hub Primary school, we encourage all students to develop a healthy approach to eating as long term benefits have been proven through a large number of studies. Eating fruit provides longer period of sustenance for the child compared to a food that is high in sugar. Healthy food do support children learning, behaviour and energy levels throughout the day.

When packing food, please keep this in mind as what they do learn at a young age does have long term outcomes as to what they eat as adults.

House System

It was pleasing to have Mr Walters share in our last assembly how the house system has been progressing. Current points allocated to each house has the four very close. Students have been rewarded points reflecting our school values, personal learning achievements and giving to the school community. Every fortnight during school assembly, Mr Walters will be providing a report to the whole school, to points being given, celebrating student successes and how the Houses are tracking.

Happy Holidays

On Friday, your child will bring home their class report. Please take the time to have a read and feel free to contact your child's teacher if you do have any questions. As per our school reporting policy, all parent/ Caregivers may request for a teacher/ parent interview during Term 3.

Thank you to all community members for the support, understanding you have provided the school throughout term two.

COVID measures have made things a little difficult for everyone. Supporting the school has allowed us to minimise the impacts of COVID and having a large number of students and staff being away due to illness. An added thank you to Governing Council, all staff and students at the school for making term two such a success.

Wishing all families, a happy and restful two-week break. If you are travelling, please do so safely and we are looking forward to seeing you back in term three.

Thank you
Tas Ktenidis

Pre- Service Teachers

We say final farewell to Caitlin Miles who has been with us doing her placement for the last 10 weeks. We have enjoyed having her as part of our school.

We wish her all the best for the remainder of her studies and future teaching career.

WELCOME

We welcome 3rd Year Pre-Service Teachers from Flinders University, who will begin their placements at the Hub in term 3:

- Mariana Hunt in room 17
- Sibel Mihmat in room 21
- Julia Colton in room 18
- Ellen Vlachos in room 1

We hope that they enjoy their time here with us.

coming term 3!

We will be visiting Aberfoyle Hub Primary School to provide dental check-ups. Simply fill in a dental consent form OR complete the online form on our website for your child to be a part of this unique dental experience.

We will be visiting on:

Monday, September 19th 2022

Check-up & Clean

Have your child's teeth shining bright again? We will provide a check-up & professional clean. Here we will let you know if they need any further work.

Goodie Bags

All participants receive a gift bag with essentials and some extra goodies to say thank you! You will also have a take home report to follow throughout the year.

Visit with friends

Take the stress out of your child's dental visit while they visit with their friends and classmates. Our vehicles are fitted with movies to watch while they wait.

FINANCE NEWS

M&S fees and Government M&S Grants

School fees are now overdue. Thank you to those who have paid their fees, organised payments or applied for School card.

The government has given parents/caregivers \$100 credit to be applied to 2022 school fees.

This has been applied to all families not on School Card (School Card approved do not pay fees so the credit does not apply) If you have already paid your fees a credit will be there to apply to any upcoming events/camps/excursions or next year's fees. Unfortunately it cannot be applied to school photos.

CREDIT IS NO LONGER AVAILABLE IN CANTEEN

Unfortunately promised payments that have been made prior are often over looked and not received

After 10.00am is too late to prepare new orders.....

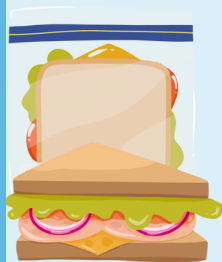

VOLUNTEERS WANTED

If you have few hours in a day to volunteer working with our lovely ladies in the canteen. Please contact the canteen.

A quick reminder and explanation to Parents regarding excursions, camps & school activities.

When notes about events are sent home please take note of the due date. We are getting a lot of late payments and unfortunately sometimes we cannot receive payments after the due date. This is because we need to confirm numbers with businesses involved, we need to organise groups, do risk assessments (including numbers attending) and get the information to staff from the front office as to payments made. A lot of organisational processes are involved. We don't want your child to miss events either so please make sure payments are made on time OR speak to someone if there are financial issues BEFORE the due date. Thank you.

Chris Godden
Business manager.

Canteen News

Prices:

Unfortunately due to skyrocketing food prices, the canteen has no option but to increase prices on some of our products. The price increase will come into effect as of week 1, Term 3. Should you require a new price list, please collect one from the canteen.

Students without Lunch:

Term 3 if a student comes to school without lunch, the front office will attempt to contact the parent/caregiver. If contact is made prior to 10am & payment is received immediately via QKR, an order will be provided to your child.

Should we be unable to make contact, or payment cannot be made immediately, your child will be provided with a Vegimite or Jam sandwich.

how to order

cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be enclosed in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

Please note: You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer

order online

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

STEP 1

Go to www.advancedlife.com.au on your computer, phone or tablet.

STEP 2

Enter your school code:

School photographs will be returned to your school 4-6 weeks after the day of photography

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.
