House Teams

Aberfoyle Hub introduced last week a house teams system. The purpose of house teams is for student recognition on their personal efforts and whole school community involvement. All students have been allocated to the four existing house teams. A note will soon come home informing you in what team your child will be in.

The four teams which are our historical student teams are; Sauerbier (Red), Warrakilla (Blue), Appleton (Yellow) and Nicolle (Green). Students will be competing for an overall shield that will be presented to the winning team at the end of each school year. These teams will also be the same teams that will compete for Sports day.

The House team shield will not replace the Sports day shields. Both Sports day shields will remain as part of Sports day competition and be celebrated on that day. Students will be able to earn points for their team.

Three categories are Sports which will account for 30% towards shield success. Examples for points in Sport can be; Sports day, Pedal Prix, SAPSASA, Out of school sport, Lunch Clubs.

The second category is Academic achievement. This accounts for 30% towards shield success. Examples for points can be; academic achievement, academic improvement and outstanding pieces of work. The final category is Community/ School values. This will account for 40% of shield points. Examples in earning points can be; service to the school community, Inter-school competition involvement, positive behaviour, acts of kindness, positive attitude, music/dance drama involvement and canteen work.

Student leaders being our SRC executives and Sports Captains and Vice Captains will also be part, with staff in allocating points for the above categories. As student leaders, they have an opportunity to be positive role models for their peers and be able to give recognition for positive efforts by their peers.

I look forward to celebrating student success throughout the year and our first winning house at the end of the year. Good luck to all students.

Reminder Staff Car parks

A quick reminder to all and new families to our school community. During drop off in the mornings and pick up after school, we ask that families please do not drive into the staff car parks. Many students and families do use the two main gates to come onto school grounds and leave school grounds. Having students trying to work around moving cars is an added risk and one that we do not want to see anyone being hurt.

Thank you to all who are supportive of school safety measures.

Assemblies

We have recommenced with student assemblies and have scheduled them for the remainder of the year.

I am hopeful that COVID will not be a negative factor to planned assemblies.

With the reintroduction of assemblies further directions from the Department for Education have clarified that we can now have families attend such events in a **COVID safe manner**.

School assemblies will be held in the hall. In order to have family members also attend, we will all need to follow some simple measures due to the high number of people who will be in the hall.

- All visitors will be required to sign in when they attend assemblies. This measure will be in place just in case we do have a COVID outbreak. We will be able to easily contact you.
- Sign in book will be set for you at the door.
- All visitors will be required to wear a mask during assembly.
- Seating will be set allowing for COVID safe social distancing. We ask that seats are not to be moved.

Students and Staff are looking forward to seeing you come and join us in future assemblies.

Kind Regards
Tas Ktenidis

Basketball

Both the year 3/4 and 5/6 Hub Hawks have got off to a great start this term recording a number of wins already.

Monday night saw the 5/6 team take on McLaren Vale White. It was quite a physical game with Kane M going to the free throw line several times. While he missed a few opportunities he top scored with 7 points.

The team has continued to improve on their defensive skills, with Milly M grabbing lots of rebounds. Final score was 11-11.

The 3/4's had a big win last Wednesday 23-14.

Soccer

U9's

The under 9 soccer team have had a great start to the season, we have had 1 win and 1 loss so far this year. Both games have been very exciting and close all the way to the end.

Our first game was at home. We were lucky enough to get a win 5 - 2 against St Thomas. Game number 2 was a much harder one and we had our first loss 0-4 against Westbourne Park PS. Everyone played well all the way to the end, never giving up.

U10's

The under 10 have had some very tough competition so far this year and are yet to get there first win. They played against McAuley PS for their first game at home and lost 1 - 9, with a great goal coming in the second half to lift the spirits at the end.

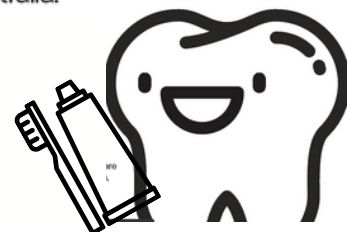

The second game (last week) was played away against Concordia St Johns. Everyone played really well nearly bringing the win home and having an excellent second half to finish the game off strong. (I'm just waiting for the exact score) it's only a matter of time before they get there first win for the season.
