Remembrance Day

Friday 11th November is significant being Remembrance Day.

This special day is a day to reflect, show respect to those who made the ultimate sacrifice so we can live and enjoy the life we have now.

It is a time to talk and share with your children about family members who have fought for their country. It is also a time to remind ourselves of the hardships and difficult times families do go through during periods of crisis. Thinking of those past and thanking them is one small gesture we can all do for the sacrifices they have made for us.

Phonics Screening

During this year, as part of our improvement process and how we support our student learning, staff in the early years have worked hard in developing a consistent approach in how we deliver our Phonics program.

Staff have concentrated on and worked hard focusing on a whole school approach as to how lessons are delivered, aligning Decodable readers to the Phonics scope and sequence and co-planning and tracking as to how students have progressed during the year.

Overall we have had excellent growth with our students, meeting SEA (standard of education achievement), 88% of students meeting the standard. Well done to all students and their respective class teachers on an excellent year of growth.

Planning for 2023

Planning for next year has begun with class teachers analyzing and placing students into classes for the new school year. I am pleased to share that we will begin the school year with 10 classes. This will allow us to keep numbers quite low in all year levels, with classes sitting around the 23 to 24 students.

Proposed Class structure for 2023:

Two Reception/Year 1 classes
One Year 1/2 Class
One Year 2/3 Class
Two Year 3/4 Class
Two Year 4/5 Class
Two Year 5/6 Class

If you are aware of any families that are undecided about schools, please encourage them to come and visit our school. We look forward to meeting them and showing what we can offer their child.
