### Lost and Found School Uniform.

School uniforms, like lunch box containers are common items that our students tend to lose on a regular basis. Playing does become a priority for them and many of the students will forget to collect jackets for example when they do return to class.

Near the Multipurpose room, we have an area that is allocated for all things lost. If you are aware of your child having lost items, please feel free to go to the lost and found and look through for your child's belongings.

Towards the end of term, we will be collecting items that have been left behind and will decide on what to do with them. If you do have any queries, please do not hesitate to contact the school.

### Welcome 2023 Receptions

Last week we had our new 2023 Receptions attend their first transition visit. It was a great pleasure to see their excitement coming to the Hub for the first time as students. It was wonderful to meet new families and catch up with existing families.

We look forward to forging an excellent and successful relationship with you celebrating the learning successes your child will enjoy during their years at the Hub.

### Classes 2023

Current planning for 2023 has been well on the way. Student placements to class has been finalised and further communication will be sent out. We will also have our internal transition towards the end of term. This will give students the opportunity to meet their peers for the new school year and class teacher where we are able.

### Class structures for 2023 will be;

- Two Reception/ Year 1 classes
- One Year 1/2 Class
- One Year 2/3 Class
- Two Year 3/4 Classes
- Two Year 4/5 Classes
- Two Year 5/6 Classes

The tenth class will allow us to keep numbers low in all classes across the school.

This will allow for greater teacher support in class and for growth in all year levels.

Our next phase will be to begin the process of placing teachers to their respective classes.

If you have any queries, please do not hesitate to contact the school.

Kind Regards

Tas Ktenidis  
Principal

### Growth Mind Set

"We don't develop courage by being happy every day. We develop it by surviving difficult times and challenging adversity."

### Medication.

Please note that it is the Parent/Caregivers' responsibility to collect their child's medication from the Front Office by the end of Term 4 Friday 16th December 2022.

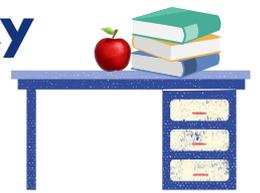

We ask that you take the time to update any health care plans and check that all medication is still in date.

All Medications must be prescribed by an Authorised Health Professional and be in an original pharmacy-labelled container

All details on the pharmacy label must correlate with the Medication Agreement form. Medication will not be given if any of the information differs.

## Who is responsible for providing Medication to the Education Service?

The parent or guardian is responsible for providing all medication and administration equipment. They should be encouraged to give and collect any medication in person where possible.

Where this is not possible, the education and care staff, in consultation with the parent or guardian, should discuss and agree on safe methods of transport and transfer.

As previously stated. All medications must be provided in an original pharmacy container and have a pharmacy label with:

- child or young person's name
- date of dispensing
- name of medication
- strength of medication
- dose (how much to give)

when the dose should be given other administration instructions (such as to be taken with food).

- expiry date (where there is no expiry date the medication must have been dispensed within the last 6 months).

### First Dose

Due to the dangers of an adverse reaction the first dose must be supervised by a parent, guardian or health professional.

### Sports News

#### 2023 Membership Forms Due

Membership forms have been given out to all interested players for next year.

A reminder that membership forms for all sports – Cricket, Netball, Soccer and Cricket and Pedal Prix – are due back tomorrow Friday 25th November.

#### 2023 Coordinators and Coaches.

It's not too late to support Out of School Sports by volunteering to either coordinate or coach one of the above mentioned sports. Please either indicate on the membership forms or contact Sarah via the Front Office.

#### Farewell Pre-Service Teachers.

Thank you to Elijah Falzon, Tom Roberts and Meg Butcher for being an active member of supporting our students in Rooms 17, 18 and 18 for the past three weeks. We hope you have had a positive introduction to school life; wishing you all the very best with future studies and practicums.

Kind regards,

Sarah
