Check-up & Clean

Have your child's teeth shining bright again! We will provide a check-up & professional clean. Here we will let you know if there are any areas that require attention.

Goodie Bags + Report

All participants receive a gift bag with dental essentials and some goodies. You will also have a take home oral health report with any concerns to monitor throughout the year

Visit with friends

Take the stress out of your child's dental visit while they visit with their friends and classmates. Our clinics are fitted with movies to watch while they wait.

school photographs are coming up soon

Please note: Traditional, Composite or High-Resolution Virtual Group format is chosen by your school. Sibling photos, if available, can also be ordered online and must be ordered prior to your photo day. A late fee will apply for photos purchased after ordering has closed.

how to order

order online

Online payment options include Visa, Mastercard and PayPal.

STEP 1

Go to www.advancedlife.com.au on your computer, phone or tablet.

STEP 2

Enter your school code:

V7H WFB 2PE

in the 'order and download' box. This will take you to your school's secure online ordering site.

STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available.

cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be indicated in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

Please note: You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer accept cheques. There is a separate envelope for sibling photo orders, should your school choose to offer sibling photos.

School photographs will be returned approximately 6 weeks after the day of photography.

Please note this delivery timeframe is dependant on proofing and additional photography days at your school.

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.

Wow time certainly flies!

As another term is about to end the Macq Lit student's show continued improvement with reading levels, word recognition, comprehension and retention of information. Resilience and persistence are evident as we continue to have some laughs along the way.

Reading and good literacy skills will support your children's learning in all subjects across the board. It is something that as parents we can easily support our children with by simply sitting with them to watch and listen to them read at least 3-4 times a week for 15-20 minutes each time, correcting errors as they occur.

It is easier to correct errors as they occur as re-learning the correct way to pronounce a word down the track can be more difficult and frustrating.

Students need to return their Reading Record this week that parents have been asked to complete each time your child reads to you.

Reading is good for you because it improves your focus, memory, empathy and communication skills. Reading allows you to learn new things to help you succeed in your work and relationships.

Until we read again, stay safe and enjoy the upcoming school holidays.

Marlene, SSO.

Lost property

There is an abundance of Lost property, which can be found outside Multi purpose room.

Please feel free to shuffle through and find any of your child/rens missing items

We have a couple of big events happening next term.

BOOK WEEK

The theme this year is Read Grow Inspire.

Book week will run from 19th August to 25th August.

The book week parade will be held on Friday 25th August at 9:00am in the courtyard. Last year's parade was absolutely amazing & we are looking forward to seeing as many students & staff dressed up, as their favourite book week character, as possible this year. There will be prizes for the best costumes again.

We will also be having craft activities in the library at the recess break.

They will be held on Tuesday, Wednesday & Thursday (flyers will be put up around the school).

BOOK FAIR

We will be having a book fair this year.

The fair will run from 10th August to 15th August in the library.

Families will be able to purchase books before school, after school and online.

Classes will visit the library on 9th August to see what books are available & make a wish list.

Many thanks,
Julie Campbell

Outdoor Activity Day
